

# 1st Abu Dhabi Neonatal Multispecialty Symposium

November 13, 2015 | Rosewood Hotel, Abu Dhabi, UAE

Accredited by HAAD for  
**7 CME Hours**

## Welcome Message

Dear Friends and Colleagues

On behalf of the scientific committee, I would like to welcome you all to our **"1st Abu Dhabi Neonatal Multispecialty Symposium"** that is planned to be held on **November 13, 2015**, at Rosewood Hotel, Abu Dhabi, UAE.

The program aims to discuss the latest developments in neonatal medicine and the scientific program will cover a wide array of topics and state-of-the-art lectures on various subspecialties that you can see in your daily clinical practice.

The beauty of this multispecialty program is that one can't only update on development of your own specialty but also keep abreast on knowledge from other specialties and is very often the most interesting experience.

The meeting gathers prominent speakers and experts in their fields for engaging discussions, information sharing and experience-based perspectives.

The symposium serves as a dynamic forum which promotes productive clinical debates between practicing physicians on the critical issues within the field of neonatal medicine today.

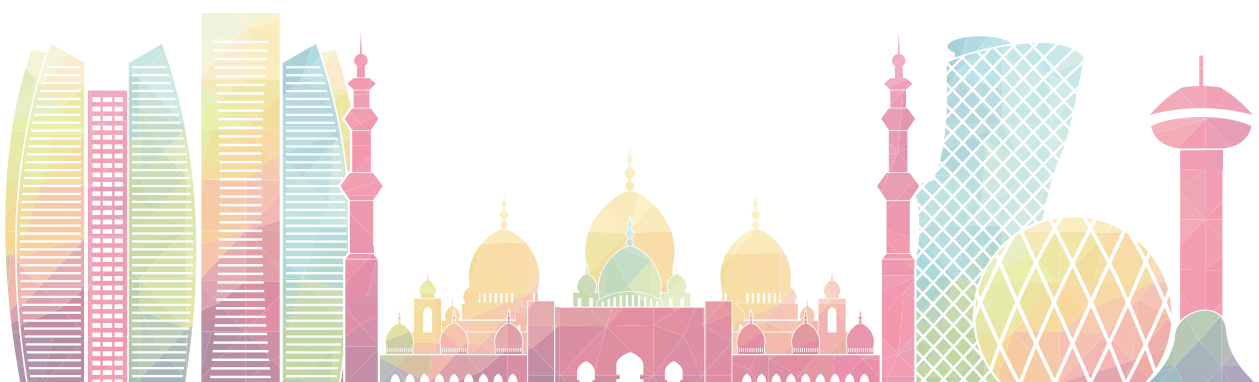

The event prides itself on having the most up-to-date clinical, scientific and academic program concentrating not only on future therapies but also on disease prevention and treatment goals.

It is our sincere hope, that your attendance at this valuable program provides the educational knowledge you need to further your professional growth in neonatal care.

Please do not miss this once a year opportunity and register now for the symposium.
