11th SEHA International
Radiology
Conference

12 - 13
March, 2022

VIRTUAL
CONFERENCE

Abu Dhabi, UAE

Accredited by the European Accreditation Council for Continuing Medical Education (EACCME®)
for 12 European CME Credits (ECMEC®s)

CONFERENCE BOOK

WELCOME MESSAGE

Dear Colleagues,

On behalf of the scientific committee, it's with pride and pleasure that we welcome you to the 11th SEHA International Radiology Conference to be held on 12-13 March, 2022 Virtually in Abu Dhabi, UAE.

The 11th edition of SEHA International Radiology Conference (SIRC) is going to uphold its tradition of promoting & disseminating current flowing knowledge in modern Radiology along its various alleys in the form of sub-specialties.

Radiology has already barged into the era of Radio-genomics, Radiomics & Data-imaging. Our goals for the conference, however stay focused on the practical but state of the Radiology practices & techniques plus allocating due value to the learning & development of young trainees and graduates. On the same token, Value-based Radiology is also being well appreciated as we witness the ongoing move from volume to value-based health-care model.

COVID 19 has inadvertently enhanced our abilities to successfully conduct remote learning. Our total online conference like the previous year may be depriving us from the face to face feel of learning but the unpredictability of COVID 19 surges has compelled us to be prudent and stay online.

The meeting will feature some of the world-class experts in Clinical Radiology from USA, Europe, Middle East, in addition to an elite roster of eminent local speakers that will cover a broad range of topics, state-of-the-art lectures, interactive sessions, poster presentations, case studies and demonstrations and workshops to encourage exchange of knowledge, experience and best practices in the radiology industry.

I have no doubt that the participants will again find it as an effective opportunity of learning & development. We are offering a balanced program as it includes current, refresher & upcoming topics with emphasis on illustrated & case-based presentations.

Accept in advance, my sincere gratitude for attending our conference. I hope it turns out to be a fruitful experience.

Manzoor Ahmed

Dr. Manzoor Ahmed
Conference Chair
Chair Radiology (A)
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Shyam Mohan

Dr. Shyam Mohan
Conference Co-Chair
Consultant Paediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

ORGANIZING COMMITTEE

Dr. Manzoor Ahmed
Conference Chair
Chair Radiology (A)
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Shyam Mohan
Conference Co-Chair
Consultant Paediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Mohamed Tawil
Consultant Paediatric Radiologist
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Twana Shareef
Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Asad Shah
Consultant Radiologist & Program
Director, Radiology Residency Program
Sheikh Khalifa Medical City, Abu Dhabi, UAE

Dr. Naser Mohamed Saif Almehairbi
Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Ravi Gadahadh
Consultant Interventional Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Usman Sheikh
Consultant Interventional Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Asif Moin
Consultant Physician
Nuclear Medicine, Dept. of Radiology
SKMC, Abu Dhabi, UAE

Dr. Asfaque Kukkady
Radiology Specialist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Fatmah Mohamed Ali AL Zeyoudi
Pediatric Radiology Consultant
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Asiya Maheen Khan
Consultant Radiologist
Cleveland Clinic Abu Dhabi, UAE

Dr. Gowri Gutti
Radiology Specialist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Fadi Salmeh Zraiqa
Medical Physicist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Fatima Valapil
Specialist Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

ORGANIZING COMMITTEE

Dr. Ghufuran Aref Saeed
Radiologist, Associate Program
Director Radiology Residency
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Abeer Ahmed Al Helali
Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Hazel Poloma
Executive Secretary
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Khaled Afify
General Manager,
MENA Conference,
Abu Dhabi, UAE

Heizel Bernabe
Administrative Assistant
Radiology - Medical Affairs
Sheikh Khalifa Medical City
Abu Dhabi, UAE

SCIENTIFIC COMMITTEE

Dr. Manzoor Ahmed
Conference Chair
Chair Radiology (A)
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Shyam Mohan
Conference Co-Chair
Consultant Paediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Asad Shah
Consultant Radiologist & Program
Director, Radiology Residency Program
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Ghufuran Aref Saeed
Radiologist, Associate Program
Director Radiology Residency
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Abeer Ahmed Al Helali
Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Mohamed Zaabi
Senior Resident
Sheikh Khalifa Medical City
Abu Dhabi, UAE

SCIENTIFIC COMMITTEE

Dr. Fahim Khan
Senior Resident
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Nour Al Hasham
Senior Resident
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Asfaque Kukkady
Radiology Specialist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

CONFERENCE OBJECTIVES

- Promote continued professional development of radiology professionals.
- Promote learning updated knowledge & techniques in radiology.
- Promote learning & development of trainees.
- Provide opportunity of presentation & projection to local radiology professionals
- Discuss evidence-based practice techniques and protocols for improved diagnostic accuracy in multiple applications.
- Provide the tools for participants to enhance interpretation skills utilizing the latest imaging technologies.

HIGHLIGHTED TOPICS

- Radiology Perspective of (COVID-19) Disease
- Artificial Intelligence in Radiology
- Neuroradiology
- Abdominal Imaging
- Musculoskeletal Radiology
- Breast & Women's Imaging
- Pediatric Radiology
- Cardiac Imaging
- Chest imaging
- Interventional Radiology (IR)
- Nuclear Medicine
- Surgeons' Radiologic Perspective
- Resident Review Course

TARGET AUDIENCE

- Radiologists
- Sub-Specialized Radiologists
- Radiation Oncologists
- Radiographers
- Physicians / Specialists
- Allied Medical Health Professionals
- Registered Nurses
- Radiology Nurses
- Radiology Technicians
- Sonography Specialists
- Medical Specialists
- Residents / Student Interns

THIS CONFERENCE PROVIDES AN OPPORTUNITY TO:

- Share your ideas, expertise, successes & challenges with colleagues from across the world and beyond on various sub specialties in the field of Radiology
- Enjoy a multi-disciplinary program that covers the latest cutting-edge science and innovative developments
- Meet and learn from internationally acclaimed leaders on best practices as well as addressing core issues faced by medical professionals in the field of Radiology
- Network with colleagues from around the world with common interests in Radiology
- Earn CME credits

NATIONAL SPEAKERS

Dr. Manzoor Ahmed
Chair Radiology (A)
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Abeer Ahmed Al Helali
Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Alexandra Economacos
HOD Breast Imaging Unit,
Mediclinic Comprehensive Cancer Centre
Adjunct Clinical Assistant Professor,
Mohamed Bin Rashid University
Dubai, UAE

Dr. Aman PS Sohal
Consultant Pediatric Neurologist
Al Qassimi Women's and
Children's Hospital, Sharjah, UAE

Dr. Asif Moin
Consultant Physician
Nuclear Medicine. Dept. of Radiology
SKMC, Abu Dhabi, UAE

Dr. Mohammad Asif Dogar
Consultant Radiologist
Chair - Department of Neuroradiology,
Imaging Institute
Cleveland Clinic, Abu Dhabi, UAE

Dr. Asiya Maheen Khan
Consultant Radiologist
Cleveland Clinic Abu Dhabi
UAE

Dr. Batool Essa Al Balooshi
Head & Consultant Nuclear Medicine
& Molecular Imaging PET-CT,
Dubai Nuclear Medicine & Molecular
Imaging Center, Dubai Hospital -
Dubai Health Authority, UAE

Dr. Esat Memisoglu
Consultant Radiologist and
Radiology Programme Director
Cleveland Clinic Abu Dhabi, UAE

Dr. Fatmah Mohamed Ali AL Zeyoudi
Pediatric Radiology Consultant
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Ghufuran Aref Saeed
Radiologist, Associate Program
Director Radiology Residency
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Hidayath Ali Khan Ansari
Chair, Department of Nuclear Medicine
and Metabolic Imaging, ClevelandClinic
AbuDhabi, UAE

Dr. Hussain Ali Aby Ali
Consultant Radiologist
Tawam Hospital, Al Ain, UAE

Dr. Juan Manuel Acuna
SEHA's Director of Research
and Development, Corporate Office - SEHA/
Khalifa University CMHS
Abu Dhabi, UAE

Dr. Kamran Ahmad
Consultant Urologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Khizer Rana
Consultant Musculoskeletal Radiologist
Mediclinic Parkview Hospital, Dubai, UAE

NATIONAL SPEAKERS

Dr. Konstantia Diana Stavrou

Specialist Breast Radiologist
Mediclinic City Hospital,
Dubai, UAE

Dr. Mahira Yunus

Consultant Breast Radiologist
Faqeeh University Hospital,
Dubai, UAE

Dr. Moez S.G Ballal

Consultant Trauma &
Orthopaedic Surgeon
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Dr. Mohammad Yaqub

Assistant Professor
Mohammed Bin Zayed University of
Artificial Intelligence, Abu Dhabi, UAE

Dr. Mohammed Tawil

Consultant Pediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Nadeem Akram Butt

Consultant Musculoskeletal
Radiologist, Health Point Hospital,
Abu Dhabi, UAE

Dr. Naghma Nawaz

Consultant Breast Radiologist,
Cleveland Clinic, Abu Dhabi, UAE

Dr. Naser Mohamed Saif Almehairbi

Consultant Radiologist
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Rashid Alsharhan

Consultant Musculoskeletal Radiologist
Tawam Hospital, Al Ain, UAE

Dr. Ravi Gadahadh

Consultant Interventional Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Rizwan Syed

Consultant
Sheikh Shakhbout Medical City
Abu Dhabi, UAE

Dr. Usman Shaikh

Consultant Interventional Radiologist,
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Vijay Papineni

Consultant Musculoskeletal Radiologist
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Dr. Yasir Akmal

Consultant General & Oncologic Surgery,
Program Director General Surgery Residency
Cleveland Clinic Abu Dhabi, UAE
Clinical Associate Professor of Surgery,
Cleveland Clinic Lerner College of Medicine
of Case Western Reserve University

Dr. Yee Ting Sim

Breast Imaging Specialist
Mediclinic City Hospital, Dubai, UAE

Dr. Yogesh More

Staff Physician, Otolaryngology
Sheikh Khalifa Medical City
Abu Dhabi, UAE

NATIONAL SPEAKERS

Dr. Zafar Sajjad

Professor of Radiology,
Consultant Neuroradiologist,
Chief Diagnostic Radiology
Cleveland Clinic Abu Dhabi, UAE

Dr. Zahid R Khan

Senior Consultant Nuclear Medicine
Fujairah Hospital, UAE

INTERNATIONAL SPEAKERS

Dr. Abhay Srinivasan

Assistant Professor, University of
Pennsylvania School of Medicine,
Consultant Interventional Radiologist,
Children's Hospital of Philadelphia, USA

Dr. Anna Bader

Chief, Thoracic Imaging
Assistant Professor of Radiology and
Biomedical Imaging
Yale University School of Medicine, USA

Dr. Benjamin Rea

Consultant Radiologist and Honorary Senior
Clinical Lecturer in Gastrointestinal and
Abdominal Radiology, Department of Clinical
Radiology, Sheffield Teaching Hospitals /
Academic Unit of Medical Education,
The Medical School, University of Sheffield

Dr. Bruno Hochegger

Clinical Professor of Radiology
Shands Hospital,
University of Florida, USA

Dr. Fatima Mubarak

Associate Professor,
Aga Khan University Hospital,
Karachi, Pakistan

Dr. Gauraang Bhatnagar

Consultant Radiologist
Gastrointestinal Imaging
Frimley Health NHS foundation Trust, UK

Dr. Gurdeep Mann

Senior Attending Physician
Department of Radiology,
Sidra Medicine, Doha, Qatar

Dr. Hamid Mojibian

Associate Professor of Radiology,
Biomedical Imaging and Cardiology,
Section Chief Cardiac Imaging
Yale University School of Medicine, USA

Dr. Heminder Sokhi

Consultant Radiologist
The Hillingdon Hospitals NHS Foundation
Trust & Paul Strickland Scanner Centre,
Mount Vernon Hospital, UK

Dr. Ian Pressney

Consultant Musculoskeletal Radiologist
Royal National Orthopaedic Hospital,
Stanmore, Harrow, UK

Dr. Jonathon A. Leipsic

Professor and Head of Radiology,
University of British Columbia, USA

Dr. Jeremy Steele

Assistant Professor of Pediatrics
Assistant Professor of Radiology &
Biomedical Imaging, Director, Congenital
Cross-Sectional Cardiac Imaging
Yale University School of Medicine, USA

INTERNATIONAL SPEAKERS

Dr. Katharine Halliday

President Elect
Royal College of Radiology, UK

Dr. Leah Traube

Assistant Professor of Radiology
and Biomedical Imaging,
Yale University School of Medicine, USA

Dr. Maseeh Uz Zaman

Professor, Head NM & PET/CT Imaging
Services, Dept of Radiology,
Aga Khan University Hospital, Pakistan

Dr. Narayan Karunanithy

Consultant IR
Guys and St. Thomas Hospital,
London, UK

Dr. Nupur Verma

Associate Professor of Radiology
Director, Diagnostic Radiology Residency
University of Florida, USA

Dr. Prasad Hanagandi

Consultant Neuroradiologist
King Abdulaziz Medical City
Ministry of National Guard Health Affairs,
Riyadh, KSA

Dr. Praveen Kumar Chinniah

Fellow in Musculoskeletal Radiology
Christian Medical College, Vellore, India

Dr. Saba Farheen Hasan

LIP/Head of Mammography
Hampton Veterans Affairs Medical
Center, USA

Dr. Klaus K. Irion

Consultant Radiologist
Manchester University
NHS Foundation Trust, UK

Dr. Madhavi K

Associate Professor & Lead of MSK Radiology
Sub-Unit, Department of Diagnostic Radiology,
Christian Medical College & Hospital,
Vellore, India

Dr. Musa Kaleem

Consultant Pediatric Radiologist
Alder Hey Children's Hospital
Liverpool, UK

Dr. Nishat Bharwani

Consultant Radiologist, Head of Service for
Urological and Gynaecological Imaging,
Imperial College Healthcare NHS Trust, London, UK.
Honorary Clinical Senior Lecturer,
Department of Surgery & Cancer,
Imperial College Healthcare NHS Trust, London UK

Dr. Prakash Muthusami

Assistant Professor
Pediatric Interventional Neuroradiology
The Hospital for Sick Children,
University of Toronto, Canada

Dr. Pratik Patel

Assistant Professor of Thoracic Imaging
University of Florida, USA

Dr. S. Murthy Chennapragada

Senior Staff Pediatric Interventional
Radiologist, The Children's Hospital at
Westmead - Sydney,
Children's Hospital Network, Australia

Dr. Sajid Butt

Consultant Musculoskeletal Radiologist,
Royal National Orthopaedic Hospital,
Stanmore, Harrow, UK

INTERNATIONAL SPEAKERS

Dr. Samuel Withey

Consultant Radiologist
Royal Marsden NHS Foundation Trust
UK

Dr. Sniya Sudhakar

Consultant Pediatric Neuroradiologist
Great Ormond Street Hospital
London, UK

Dr. Srujana Ganti

Associate Consultant,
Department of Radiology
SingHealth Duke-NUS -
Sengkang General Hospital, Singapore

Dr. Suresh Mukherji

Clinical Professor of ¹Radiology & ²Radiation Oncology.
¹University of Illinois & ²Robert Wood Johnson Medical
School, Rutgers University, Faculty; Otolaryngology
Head Neck Surgery, Michigan State University
National Director of Head & Neck Radiology;
ProScan Imaging, USA

Dr. Tan-Lucien Mohammed

Vice Chair, Education, Professor &
Chief, Thoracic Imaging
University of Florida, USA

Dr. Tara Henrichson

Consultant Radiologist,
Department of Radiology,
Mayo Clinic, Rochester, Minnesota, USA

Dr. Yousef Alwan

Consultant Radiologist
Manchester Royal Infirmary
Manchester University NHS Foundation Trust

SYMPOSIUM SPEAKERS

Mr. Murat Kurakoc

Clinical Manager, CT
Canon Medical Systems Corporation
Dubai, UAE

Mr. Waddah Alolabi

MR & CT Business Line Manager
Canon Medical Systems Corporation
Dubai, UAE

Mr. Ammar Kamal

Clinical Application & Education Manager
General Imaging Ultrasound – Emerging Markets
GE Healthcare, Dubai, UAE

SCIENTIFIC PROGRAM | DAY 1 - SATURDAY | 12 MARCH, 2022

07:40-08:00 Opening Remarks

07:40-07:45	Welcoming and Introduction by MC
07:45-07:48	National Anthem & Holy Qur'an
07:48-07:55	Welcoming Speech - Dr. Manzoor Ahmed, Chairman of the Conference
07:55-08:00	Opening Remarks - Dr. Ghanem Al Hassani, Group Director for Academic Affairs, SEHA
08:00	Introduction to Session 1

TIME GENERAL SESSION Moderator: Dr. Manzoor Ahmad, Dr. Shyam Mohan

08:00-08:30	Research in SEHA for full time Radiologists	Dr. Juan Manuel Acuna
08:30-09:00	Get It Right First Time	Dr. Katharine Halliday
09:00-09:30	Errors in Radiology	Dr. Ghufraan Aref Saeed
09:30-10:00	AI in Radiology: recent advances in research, development and deployment	Dr. Mohammad Yaqub

10:00-10:20 Panel Discussion

10:20-10:30 Session Break

SESSION 2: NEURO RADIOLOGY Moderator: Dr. Manzoor Ahmed

SESSION 3: BREAST & WOMEN'S IMAGING Moderator: Dr. Asiya Maheen Khan

10:30-10:50	Neurological Manifestations of COVID-19 Infections Dr. Zafar Sajjad	Tomosynthesis And Tomosynthesis Guided Biopsies Dr. Naghma Nawaz
10:50-11:10	Interesting Cases Review: Adult Dr. Fatima Mubarak	MRI Breast -Interesting cases Dr. Mahira Yunus
11:10-11:30	Artificial Intelligence: Update Challenges & Opportunities in Clinical Adoption - Dr. Suresh Mukherji	Molecular Breast Imaging Dr. Tara Hendrichson
11:30-11:50	Let's Take the Pressure: Neuroimaging Review of NPH, IIH & SIH - Dr. Mohammad Asif Dogar	Contrast Enhanced Mammography Dr. Konstantia Diana Stavrou
11:50-12:10	Interesting Cases Review: Pediatrics Dr. Prasad Hanagandi	Role of Automated Breast Ultrasound in Screening Dr. Saba Farheen Hasan
12:10-12:30	Pituitary Imaging: Adenoma & Beyond Dr. Manzoor Ahmed	Magseed and Localiser: Uses and Applications Dr. Alexandra Economacos

12:30-12:45 Panel Discussion

12:45-13:15 Advance Ultrasound Solutions in Chronic Liver Disease Management (GE Symposium) Mr. Ammar Kamal

13:15-13:30 Session Break

SCIENTIFIC PROGRAM | DAY 1 - SATURDAY | 12 MARCH, 2022

	SESSION 4: CLINICIANS PERSPECTIVE Moderator: Dr. Manzoor Ahmad, Dr. Mohammad Tawil, Dr Abdulla Romaithi	SESSION 5: RESIDENT COURSE Moderator: Dr. Ghufraan Aref Saeed, Dr. Abeer Ahmed Al Helali
13:30-13:50	A General and Oncologic Surgeon's Imaging Perspective Dr. Yasir Akmal	13:30-13:50 Abdominal Imaging Cases Review Dr. Naser Mohamed Saif Almehairbi
13:50-14:10	A pediatric neurologists imaging perspective Dr. Aman PS Sohal	13:50-14:10 Cased Based Resident Review Session (Abdominal Imaging) - Dr. Abeer Ahmed Al Helali
14:10-14:30	What the ENT surgeons wants to know from Head Neck Imaging - Dr. Yogesh More	14:10-14:30 Resident case review on Adult Neuroradiology Dr. Hussain Ali Aby Ali
14:30-14:50	A Urologists imaging perspective in impotence imaging Dr. Kamran Ahmad	14:30-14:50 Resident case review on Pediatric Neuroradiology - Dr. Prasad Hanagandi
14:50-15:10	Foot and Ankle Surgeons Imaging Perspective Dr. Moez S.G Ballal	14:50-15:30 Resident case review on Breast Imaging Dr. Asiya Maheen Khan Dr. Naghma Nawaz
15:30-15:50 Panel Discussion		
15:50-16:00 Session Break		
TIME	SESSION 6: INTERVENTIONAL RADIOLOGY Moderator: Dr. Ravi Gadahadh	SESSION 7: ABDOMINAL IMAGING (GI/GU) Moderator: Dr. Amit Patel, Dr. Twana Shareef
16:00-16:20	Pediatric hepatobiliary intervention Dr. Abhay Srinivasan	Benign and Malignant Liver Lesions – How I Tackle Them Dr. Benjamin Rea
16:20-16:40	Vascular malformations Dr. Narayan Karunanithy	Imaging Strategies in IBD Dr. Gauraang Bhatnagar
16:40-17:00	Pediatric Interventional Oncology - An Overview Dr. S Murthy Chennapragada	Renal Imaging Dr. Samuel Withey
17:00-17:20	Pediatric Neurovascular Diseases Interventional Therapies - Dr. Prakash Muthusami	Imaging and management of acute urological emergencies: IR to the rescue! - Dr. Yousef Alwan
17:20-17:40	Pediatric Neurovascular Diseases Interventional Therapies - Dr. Prakash Muthusami	Update in Prostate Cancer Imaging: PI-RADS 2.1 & beyond Dr. Heminder Sokhi
17:40-18:00	Interesting IR Cases Dr. Ravi Gadahadh	O-RADS for MRI: A Paradigm Shift In Approaching The Ultrasound-Indeterminate Adnexal Lesion Dr. Nishat Bharwani
18:00-18:15 Panel Discussion		
END OF DAY 1		

SCIENTIFIC PROGRAM | DAY 2 – SUNDAY | 13 MARCH, 2022

07:55-08:00 Opening Remarks

TIME	SESSION 8: MUSCULOSKELETAL RADIOLOGY Moderator: Dr. Asad Rabbani Shah	SESSION 9: PEDIATRIC RADIOLOGY Moderator: Dr. Mohammed Tawil, Dr. Shyam Mohan, Dr. Fatma Al Zeyoudi
08:00-08:20	Dual Energy CT in Non Invasive Diagnosis of Gout Dr. Esat Memisoglu	Pediatric CNS Infections Dr. Sniya Sudhakar
08:20-08:40	Cone Beam CT – Concept, Musculoskeletal Applications and Future Directions - Dr. Sajid Butt	Imaging of Paediatric Chest Infection Dr. Mohamed Tawil
08:40-09:00	Uses Of Dixon Technique In Imaging Bone Lesions Dr. Ian Pressney	COVID-19 in Children: An Imaging Perspective Dr. Musa Kaleem
09:00-09:20	Ultrasound Imaging of Cubital Tunnel Syndrome and Ulnar Nerve Instability - Dr. Khizer Rana	Pediatric UTI imaging update Dr. Gurdeep Mann
09:20-09:40	Common Pitfalls & Mimic in Shoulder Imaging Dr. Vijay Papineni	Pediatric Musculoskeletal infections Dr. Madhavi K
09:40-10:00	Cases in MSK Radiology Dr. Rashid Alsharhan	Pediatric infections case review Dr. Praveen Kumar Chinniah
10:00-10:20	Panel Discussion	
10:20-10:30	Session Break	

TIME	SESSION 10: ABSTRACT PRESENTATION Judges: Dr. Naghma Nawaz, Dr Abdulla Romaithi	SESSION 11: CHEST IMAGING Moderator: Dr. Ashfaque Kukkady
10:30-10:50	Audit of Fine Needle Aspiration (FNA) of Thyroid nodules using The ACR-TIRADS guidelines - Dr. Anoop Pandey Aneurysmal Bone Cyst on Top of Fibro-Osseous Lesion of The Ethmoid Sinus with Orbital and Intracranial Extension in A Child - Dr. Ayman Ahmed Elsayed	Cystic Lung Disease - Imaging Review Dr. Pratik Patel
10:50-11:10	Abdominal Internal Hernia CT Findings: A Pictorial Essay Dr. Aysha Eissa Salem Eissa Al-Senaidi Worsening Hypertension Post Renal transplant, what could it be? - Dr. Hanan Al Hahdrami	Lung Cancer: Advances Dr. Bruno Hochegger
11:10-11:30	Non-Traumatic Acute Thoracic Aortic Dissection on Imaging Dr. Mohammed Abdulla Mohammed Alkhadar Alahmed MRI T-2W histometric and distances in differentiation of Endometrial hyperplasia Vs Endometrial cancer Dr. Mohammed Alturiqy	Interstitial Lung Disease Dr. Klaus K. Irion
11:30-11:50	Abdominal Manifestations of Tuberculosis Dr. Mohammed Obaid Aljassim Ultrasound And MRI Findings in A Gamut of Interesting Adnexal Lesions, Final Correlation with Histopathology Dr. Sriveni Sana	Imaging in Pneumoconiosis Dr. Bruno Hochegger
11:50-12:10	Influence of COVID19 pandemic in shifting high dose I131 therapy to outpatient basis with home isolation Dr. Tariq Munshy Imaging Features of Musculoskeletal Tuberculosis – A Broad Spectrum - Dr. Wissam Fatma Zohra Chelha	Cystic Lung Disease - Case Based Review Dr. Srujana Ganti
12:10-12:30	Appropriateness of MRI Lumbar Spine done in SKMC: An Audit (2020-2021) - Dr. Omar Ahmed Talal Azrak Radiomic Features as Predictor of Functional Outcome of Covid-19 Pneumonia - Fatma Alhammadi	Screening for Lung Cancer Utilization of LDCT to Detect Asymptomatic Lung Cancer in High-Risk Populations Dr. Nupur Verma
12:30-12:45	Panel Discussion	

SCIENTIFIC PROGRAM | DAY 2 – SUNDAY | 13 MARCH, 2022

12:45-13:15	Wide Volume CT 2022 update (Canon Symposium) Mr. Murat Karakoc & Mr. Waddah Alolabi
13:15-13:30	Session Break
	Announcements of Winners Winners for Oral Poster Presentaion with Dr. Nawaz Erum / Dr. Abdulla Romaithi Winners for Cases of the Day with Dr. Ghufan Aref Saeed

TIME	SESSION 12: CARDIAC IMAGING Moderator: Dr Usama Al Bastaki	SESSION 13: RESIDENT COURSE Moderator: Dr. Ghufan Aref Saeed
13:30-13:50	Congenital Cardiac Cross-Sectional Imaging The Old, The New and The Horizon - Dr. Jeremy Steele	Resident case review on Interventional Radiology Dr. Usman Shaikh
13:50-14:10	Interesting case conference: Congenital Dr. Jeremy Steele	Resident case review on Interventional Radiology Dr. Ravi Gadahadh
14:10-14:30	CTA/FFRct for Stable Chest Pain Lesson learned and New Opportunies - Dr. Jonathon A. Leipsic	Resident case review on Musculoskeletal imaging Dr. Nadeem Akram Butt
14:30-14:50	Imaging of Intracardiac and Extracardiac Shunts Dr. Anna Bader	Resident MSK Radiology Cases Dr. Rashid Alsharhan
14:50-15:10	Cardiac Interesting Cases Dr. Leah Traube	Resident case review on Pediatric Radiology Dr. Fatmah Mohamed Ali AL Zeyoudi
15:10-15:30	Aortic Imaging, Pearls and Pitfalls Dr. Hamid Mojibian	
15:30-15:50	Panel Discussion	
15:50-16:00	Session Break	
	SESSION 14: NUCLEAR MEDICINE Moderator: Dr. Asif Moin	SESSION 15: RESIDENT COURSE Moderator: Dr. Ghufan Aref Saeed
16:00-16:15	Molecular Imaging and Radiotherapy in Dubai Dr. Batool Essa Al Balooshi	Hot Seats - Thoracic Cases I & II Dr. Tan-Lucien Mohammed
16:15-16:30	Theragnostics; A Step Towards Precision Medicine Dr. Rizwan Syed	
16:30-16:45	FDG PET/CT in Esophageal Cancer Dr. Maseeh Uz Zaman	Resident case review on Cardiac imaging Dr. Hamid Mojibian
16:45-17:00	PETCT in Prostate Cancer Dr. Hidayath Ali Khan Ansari	
17:00-17:15	Compliance to Achieve Image Quality of Myocardial Perfusion Imaging - Dr. Zahid R Khan	Resident case review on Nuclear Medicine Dr. Asif Moin
17:30-18:15	Panel Discussion	
END OF CONFERENCE		

LIST OF E-POSTER PRESENTERS

SN #	E-Poster Title / Author
#01	CT-3D Volumetry: Valuable Diagnostic Tool Post-Bariatric Surgery. Case Series Dr. Abeer Ahmed Al Helali - Radiologist, SKMC, Abu Dhabi
#02	Neurodegeneration with brain iron accumulation (NBIA) MRI diagnosis Dr. Amina Aljasmi - Radiologist
#03	CT Diagnosis of a Rare Case Of Large Peritoneal Loose Body Dr. Aniket Madhukar Zope - Assistant Professor
#05	The Black Femoral Epiphysis – A Useful Sign in Diagnosis of Pediatric Septic Arthritis of Hip Dr. Ashiq Zindha Basheer Ahamed - Consultant Radiologist, Al Ahalia Hospital, Mussafah
#06	Spontaneous expulsion per rectum of ascending colon lipoma Dr. Bipin Valchandji Daga - Radiologist, Medcare Hospital
#07	Pediatric Renal Scintigraphy In Vesicoureteric Reflux Disease Dr. Butoul Satea - Radiology Resident, SKMC Abu Dhabi
#10	Emphysematous Pyelonephritis in A Patient with Polycystic Kidney Disease (Pkd) Dr. Iman Alshamsi - Nephrologist, SEHA Kidney Care
#11	Audit Of Ordering CT KUB To Diagnose Acute Pyelonephritis in A Tertiary Center in Abu Dhabi Dr. Iman Alshamsi - Nephrologist, SEHA Kidney Care
#12	Birt Hogg Dube Syndrome Dr. Kajal Shah - Senior Radiologist, Lifecore Private Clinic LLC
#13	Incidental Findings of Pleural Liposarcoma in Covid-19 Positive Patient Dr. Khoula Al Harrasi - Senior Specialist, General Surgeon
#14	2021 WHO CNS Tumors Classification: Basic & Imaging Perspective Dr. Manzoor Ahmed - Chair of Radiology (A), Sheikh Khalifa Medical City, Abu Dhabi, UAE
#15	Ultrasound assessment of polycystic ovaries:Ovarian volume and morphology; which is more Diagnostic criteria? Dr. Momena Essam Ibrahim Elsadawy - Specialist Radiologist, Medcare Hospital
#16	Evaluating Number, Age and Radiographic Birads of Patients Visiting Mammography Unit in Baghdad, Iraq Inq 2019, 2020 And 2021: A Retrospective Study - Dr. Mustafa Majid, Medical Doctor
#17	From 2D MRI To 3d Models: Reconstruction of The Lumbar Vertebral Column In The United Arab Emirates Population Dr. Nerissa Naidoo, Assistant Professor of Anatomy, Mohammed Bin Rashid University of Medicine and Health Sciences
#18	Classifications at the Shoulder – Juxta-articular or Intra-articular? - An Imaging Vignette Dr. Nour B. A. Alhasham - Radiology Resident, SKMC Abu Dhabi
#20	Spontaneous Intracranial Hypotension: Typical MRI Findings and Methods To Improve Detection Dr. Rajesh Paraswani - Senior Radiologist, LLH Hospital, Mussafah
#22	Biventricular Large Thrombi Presenting as Ascites in A Young Man Dr. Reham Tarek Amin - Doctor, SSMC Abu Dhabi
#23	Brown Tumors Are Not an Uncommon Manifestation of Renal Osteodystrophy Caused by Hyperparathyroidism Dr. Reham Tarek Amin - Doctor, SSMC Abu Dhabi
#24	Rectus Femoris Muscle Injury Spectrum Dr. Sujatha Rajkumar - MD Radiologist / Specialist Radiologist, Medcare Hospital
#25	Intrarenal Arterovenous Fistula With Main Renal Artery Aneurysm Dr. Sujatha Rajkumar - MD Radiologist / Specialist Radiologist, Medcare Hospital
#27	Comparison Of MRI Lumbar Spine Screening with Plain Films of Patients with Non-Specific Lumbar Pain Dr. Syed Amin Shah - MRI Technologist
#28	Pictorial Review of Post Septal Cellulitis; An Orbital Emergency Dr. Tariq Mahmud - 3rd year Radiology Resident, SKMC Abu Dhabi

LIST OF E-POSTER PRESENTERS

SN #	Poster Title / Author
#29	Imaging Findings In Migrating Calcifications Of The Shoulder Dr. Umadevi Murali Appavoo Reddy - Radiologist, Healthpoint Hospital
#30	Radiology And Decision-Making for Non-Operative Management in Major Liver Trauma Dr. Walid Ghazi Faraj - Consultant Liver Transplant, General, Liver, & Pancreatic Surgery, Clemenceau Medical Center, Dubai
#31	Neglected Left Hip Trauma Resulting in Major Left Lower Extremity Disconfiguration Dr. Walid Ghazi Faraj - Consultant Liver Transplant, General, Liver, & Pancreatic Surgery, Clemenceau Medical Center, Dubai
#32	Pictorial Review of Neuro-Cysticercosis from Sheikh Khalifa Medical City, Abu Dhabi, UAE Dr. Wissam Fatma Zohra Chelha - Radiology Resident, SKMC Abu Dhabi
#33	Audit of Ultrasound Technique and Report Documentation For The Evaluation of Lumps/Focal Swelling in Soft tissue Dr. Yasrab Rad - Radiologist, Aga Khan University Hospital Karachi Pakistan
#34	Diagnosis And Management of Juvenile Ossifying Fibroma Affecting on Facial Skeleton Dr. Yusra Mohamed Nasser Al Riyami - Specialist Oral & Maxillofacial Surgery
#36	Patients' Age and Sex as Risk Factors of Severe Covid-19: Evidence from Radiologic and Clinical Findings Ms. Fatma Alhammadi - Student, CMHS-UAEU
#37	Imaging presentation and complications of Meckel's Diverticulum, a case series Dr. Mohamed Al Zaabi - Radiology Resident year 3, SKMC Abu Dhabi
#38	Hydatid Cyst: A Collective of All Signs in One Dr. Varsha Konyala - House Surgeon, J.S.S Medical College, Mysuru
#39	Doxycycline Sclerotherapy for ABCs Dr. Fahim Munir Khan - Radiology Resident, SKMC Abu Dhabi
#40	Appropriateness of CT abdomen/pelvis with contrast to rule out appendicitis in adult female population in the Emergency setting - Dr. Fahim Munir Khan - Radiology Resident, SKMC Abu Dhabi

11th SEHA International Radiology Conference

CME ACCREDITATION

11th SEHA International Radiology Conference
has been accredited by The European Accreditation Council
for Continuing Medical Education (EACCME)
for 12 European CME Credits (ECMECs)

DAY 1, Saturday 12/03/2022 is accredited for 6 CME Hours

DAY 1, Sunday 13/03/2022 is accredited for 6 CME Hours

Certificate of Attendance

- Certificates can be downloaded at MENA Conference (www.menaconference.com) website 14 days post conference. A notification with the link and instructions on how it can be downloaded will be sent to your registered email address.
- All delegates are requested to complete the online evaluation prior to downloading their certificates as a mandatory requirement from the accreditation body.
- Each medical specialist should claim only those credits that he/she actually spent in the educational activity

SPEAKERS' BIOGRAPHY

SPEAKERS BIOGRAPHY | 11th SEHA International Radiology Conference

Dr. Juan Manuel Acuna

SEHA's Director of Research and Development
Corporate Office - SEHA/Khalifa University CMHS
Abu Dhabi, UAE

Assistant Dean for Research, Chair of the Department of Epidemiology and Public Health, and Director of the Research and Data Intelligence Support Center, Khalifa University, Abu Dhabi, UAE. Also, seconded from KU as Director, Research and Development, SEHA's Corporate Office. Dr. Juan Acuña is an obstetrician-gynecologist, clinical geneticist, fetal medicine specialist, and a clinical epidemiologist. For more than three decades, he has been participating in perinatal medicine initiatives, strategic planning processes for the CDC, US states (Louisiana, Hawaii, Ohio, Delaware) and Latin American countries (Colombia, Guyana, Chile, Peru), and teaching methodology of research and evidence-based decision-making processes, recognized nationally and internationally. He has been Professor of OBGYN, Genetics, Epidemiology and Law at the National University of Colombia, Emory University, Tulane School of Public Health, and the Louisiana State University.

Dr. Katharine Halliday

President Elect
Royal College of Radiology, UK

After completing her radiology training in London, Perth, Australia, Sheffield and Nottingham, Katharine Halliday was appointed as a Consultant Paediatric Radiologist at Nottingham University Hospital in 1998. She has a special interest in the imaging of suspected physical abuse and provides expert opinions for cases throughout the UK. She was Chair of the British Society of Paediatric Radiology from 2010-2016 and chaired the working group for the updated guidance for imaging in cases of suspected physical abuse in children. In September 2017 she was appointed National Clinical Lead for the Getting-It-Right-First-Time (GIRFT) programme for Radiology, the Radiology GIRFT report was published in July 2020. Dr Halliday took over as Clinical Director for Radiology at Nottingham University Hospitals in January 2021.

Dr. Ghufra Aref Saeed

Radiologist, Associate Program
Director Radiology Residency
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

Dr. Ghufra has been working in general radiology for more than 10 years with special interest in emergency radiology, medical education and quality. She obtained her MBBS degree from University of Sharjah and Arab Board of Medical Imaging later on. She has also acquired her PGCert in Medical Education from University of Dundee, UK. She is currently the Associate program director of radiology residency at Sheikh Khalifa Medical City. She has multiple publications in her field, most recent related to COVID19 pandemic.

Dr. Mohammad Yaqub

Assistant Professor
Mohammed Bin Zayed University of Artificial Intelligence, Abu Dhabi, UAE

Dr Mohammad Yaqub is an Assistant Professor in the Computer Vision department at the Mohamed bin Zayed University of Artificial Intelligence (MBZUAI). He is also an honorary research fellow at the Nuffield Department of Clinical Neurosciences, University of Oxford, Oxford, UK.

Prior to joining MBZUAI, Dr Yaqub spent 12 years in Oxford, UK. He received his DPhil (PhD) in Biomedical Engineering from the University of Oxford in 2011. During his PhD, he was supervised by Prof Alison Noble, Dr Kassim Javaid and Prof Cyrus Cooper. He worked on developing machine learning solutions to real-world medical problems. After his PhD, he was a research fellow (2011 - 2016) at the Institute of Biomedical Engineering, University of Oxford and a lecturer (2010 - 2020) in the IT Services, University of Oxford.

He worked on several problems including fetal brain structure detection and segmentation in 2D and 3D ultrasound, fusion of 4D echocardiographic images, automatic categorization and quality checking of images from routine fetal anomaly scans. He has co-supervised PhD and master students during his work at Oxford.

Dr Yaqub was also the Vice President of Engineering (2016 - 2020) at Intelligent Ultrasound limited where he led a team to build medical device products. Dr Yaqub has taken his research ideas from its early days at the University of Oxford all the way to the integration of a medical product (ScanNav) into the ultrasound machines of a world-leading manufacturer

Dr. Zafar Sajjad

Professor of Radiology,
Consultant Neuroradiologist,
Chief Diagnostic Radiology
Cleveland Clinic Abu Dhabi, UAE

Prior to joining Cleveland Clinic Abu Dhabi, Dr. Sajjad was Professor of Radiology at the Aga Khan University in Karachi. He has served as Departmental Chair of Radiology, Section Head of Magnetic Resonance, Program Director Radiology Residency and Neuroradiology fellowship programs at the Aga Khan University. He has held consultant radiologist appointment at East Lancashire Teaching Hospitals in the UK.

Dr. Sajjad received his medical degree from Dow Medical College, University of Karachi in Karachi, Pakistan. He completed his residency in Radiology at Royal Stoke University Hospitals, UK. Dr. Sajjad completed his fellowship training in Neuroradiology at Newcastle Upon Tyne Hospitals, UK.

Dr. Sajjad resides in Abu Dhabi.

Dr. Fatima Mubarak

Associate Professor,
Aga Khan University Hospital,
Karachi, Pakistan

I graduated from Dow Medical College in 2001 with Distinctions and in Top ten Merit List. I did my one year internship at Civil Hospital Karachi in internal Medicine and Surgery with subspecialty of Neurology and Ophthalmology. At this point of time I presented cases in multidisciplinary meetings at ARAG Dow auditorium as well as at Neuroscience Conferences at Aga Khan University, Karachi. The discussions happening there really inspired me and I decided to pursue my career as Neuro-radiologist.

Dr. Suresh Mukherji

Clinical Professor of ¹Radiology & ²Radiation Oncology.
¹University of Illinois & ²Robert Wood Johnson Medical
School, Rutgers University, Faculty; Otolaryngology
Head Neck Surgery, Michigan State University
National Director of Head & Neck Radiology;
ProScan Imaging, USA

Dr. Mukherji is a recognized authority in Head & Neck and Neuroradiology. His primary scientific interests have focused on investigating emerging metabolic and physiologic imaging techniques to evaluate head and neck cancer and to differentiate recurrent tumors from post-therapeutic changes. These technologies include imaging with fluorodeoxyglucose analogues imaged with prototype Single Photon Emission Computed Tomography, Gamma Cameras, standard PET, and CT-PET. Other metabolic and physiologic imaging techniques he has investigated include Thallium-201, magnetic resonance spectroscopy, CT perfusion and CT spectral imaging. He has been the Principal Investigator and co-investigator on numerous NIH and society grants and has authored over 400 scientific manuscripts and book chapters. Dr. Mukherji is a devoted educator and has been an invited speaker on over 400 occasions. He has written or edited 15 textbooks and is the Consulting Editor for both Neuroimaging Clinics and Magnetic Resonance Clinics of North America and Associate Editor for the Journal of Computer Assisted Tomography.

Dr. Mohammad Asif Dogar

Consultant Radiologist
Chair - Department of Neuroradiology, Imaging Institute
Cleveland Clinic, Abu Dhabi, UAE

I graduated from Dow Medical College in 2001 with Distinctions and in Top ten Merit List. I did my one year internship at Civil Hospital Karachi in internal Medicine and Surgery with subspecialty of Neurology and Ophthalmology. At this point of time I presented cases in multidisciplinary meetings at ARAG Dow auditorium as well as at Neuroscience Conferences at Aga Khan University, Karachi. The discussions happening there really inspired me and I decided to pursue my career as Neuro-radiologist.

Dr. Prasad Hanagandi

Consultant Neuroradiologist
King Abdulaziz Medical City
Ministry of National Guard Health Affairs, Riyadh, KSA

Founding member and organizer of Seminars in Pediatric Neuroimaging (SPIN Academics). A global educational platform involved in pediatric neuroradiology academic activities.

Fellowship Training :

Pediatric Neuroradiology Fellowship, Hospital for Sick Children, Toronto, Canada.

Diagnostic Neuroradiology Fellowship, McGill University, Montreal, Canada.

Diagnostic Neuroradiology Fellowship, University of Ottawa, Canada.

Dr. Manzoor Ahmed

Chair Radiology (A)
Sheikh Khalifa Medical City
Abu Dhabi, UAE

- Dr Manzoor Ahmed is an experienced Diagnostic Neuro-radiologist with more than 15 years of experience.
- Dr Ahmed got his medical degree from Khyber Medical College, Pakistan in 1995
- He trained in World-renowned Cleveland Clinic, Ohio, USA in Diagnostic Neuro-radiology in 2003-2004.
- Have been affiliated with Cleveland Clinic for most of his career including Cleveland Clinic in UAE.
- He is currently serving as a Chair of the Radiology Department & Residency program Director in Sheikh Khalifa Medical City, Abu Dhabi, UAE.
- Dr Ahmed is a passionate teacher and participant in academic activities.
- Has been involved as a speaker and organizer in multiple national and international meetings in the Gulf region including ARM, ICRM & SIRC.
- His special interests in Diagnostic neuroradiology are Acute Stroke Imaging, Multiple Sclerosis, Head & Neck Imaging & Artificial Intelligence in Medical Imaging.
- His publications and Academic activities reflect his passion for Neuro-radiology.
- On the non-interpretive side, he is an ardent advocate for Appropriateness & Utilization in Imaging.
- He believes "Radiology harbors much more potential than just images".

Dr. Nagma Nawaz

Consultant Breast Radiologist,
Cleveland Clinic, Abu Dhabi, UAE

Dr Nagma Erum Nawaz is the Chief of Breast Imaging at Cleveland Clinic Abu Dhabi. After graduating from Army Medical College in Pakistan she undertook training in Radiology in Ireland in Radiology Residency Program of Faculty of Radiologist, Royal College of Surgeons in Ireland from September 1997 to 2002 and got the F.F.R (Fellowship of Faculty of Radiologists) Royal College of Surgeons in Ireland. She worked as consultant in Ireland till August 2004.

In September 2004 moved to United Kingdom to join Guy's & St Thomas's NHS Trust in London UK as a fellow and later was hired as consultant & worked there till 2007.

She Joined Sheikh Khalifa Medical City in 2007 as Consultant Radiologist and then also took the role of head of Breast Imaging. She was also the Deputy chair of the Radiology department at SKMC from June 2008 to 2016. She was also the chair of Breast Imaging Subcommittee of Radiology Council at SEHA from 2018-2019.

She was the Program Director of Radiology Residency Program at SKMC from 2011 to 2015 & Associate Program Director from 2009 to 2011. She was also member of the Research Ethics Committee of SKMC from 2007-2019.

She has been the invited speaker at many National & International Radiology Conferences.

Dr. Konstantia Diana Stavrou

Specialist Breast Radiologist
Mediclinic City Hospital,
Dubai, UAE

Dr Stavrou is a Consultant Radiologist with a specialist interest in breast imaging. She completed her medical training at University College London, obtaining her MBBS and BSc degrees in 2009. Dr. Stavrou underwent Clinical Radiology training at Guy's and St Thomas Hospital, London. She has completed a fellowship in breast imaging and obtained her Certificate of Specialist Training in Radiology (CCST) in 2018. She has a specialist interest and considerable experience in breast and oncological imaging. She has worked as Consultant Radiologist at Bart's Health NHS Trust and Guy's and St Thomas NHS Foundation Trust Hospital in London, before joining Mediclinic City Hospital.

Dr. Stavrou is competent at all breast imaging procedures such as mammography, CESM, breast ultrasound and breast MRI, as well as interventional image-guided breast procedures such as stereotactic and MRI-guided biopsies.

Dr. Mahira Yunus

Consultant Breast Radiologist
Faqeeh University Hospital,
Dubai, UAE

Dr. Mahira Yunus is an Interventional Breast Radiologist, offering diagnostic and therapeutic minimally invasive breast procedures at Fakeeh University Hospital.

Dr. Yunus is a highly experienced radiologist with more than 26 years of expertise in sectional body imaging (CT, MRI, ultrasound and CT-guided biopsies). One of her greatest strengths is in assessing and diagnosing lesions which are impalpable, microcalcifications and small lesions as small as less than 5mm.

Dr. Tara Henrichson

Consultant Radiologist,
Department of Radiology,
Mayo Clinic, Rochester, Minnesota, USA

Tara L. Henrichsen, M.D., is a consultant in the Department of Radiology and the Division of Breast Imaging, with a joint appointment in the Division of Ultrasound and Intervention in the Department of Radiology at Mayo Clinic in Rochester, MN. Dr. Henrichsen earned her B.S. degree at Iowa State University and her M.D. degree at University of Iowa. She completed residency in diagnostic radiology and a fellowship in cross-sectional radiology/breast imaging, both at Mayo Graduate School of Medicine.

Dr. Henrichsen's research and clinical focus is on breast imaging. In addition to her research activities, Dr. Henrichsen is active in education and mentoring, previously serving as program director for the Mayo Clinic Radiology residency and fellowship programs. In recognition of her work, Dr. Henrichsen has received awards and honors, including the Carmen Award for Educational Excellence and named a Senior Fellow in the Mayo Clinic Academy of Educational Excellence.

Dr. Saba Farheen Hasan

LIP/Head of Mammography
Hampton Veterans Affairs Medical
Center, USA

LIP/Head of Mammography

Hampton Veterans Affairs Medical Center, USA

Mammography fellowship trained board certified radiologist working in Virginia since 2010

Dr. Alexandra Economacos

HOD Breast Imaging Unit,
Mediclinic Comprehensive Cancer Centre
Adjunct Clinical Assistant Professor,
Mohamed Bin Rashid University
Dubai, UAE

South African board certified radiologist with over 18 years experience in dedicated breast imaging and intervention. In Dubai since 2008, I am honored to lead a team of experienced colleagues in screening and diagnostic sonomammography, offering the entire range of breast intervention from fine needle aspiration to breast MRI biopsy. A faculty member for both local and international congresses, I have also conducted numerous talks and presentations and am also involved in research and teaching students in conjunction with Mohammed Bin Rashid University.

Dr. Yasir Akmal

Consultant General & Oncologic Surgery,
Program Director General Surgery Residency
Cleveland Clinic Abu Dhabi, UAE
Clinical Associate Professor of Surgery,
Cleveland Clinic Lerner College of Medicine
of Case Western Reserve University

Dr. Yasir Akmal is a consultant surgical oncologist at Cleveland Clinic Abu Dhabi. He is a Clinical Associate Professor of surgery at the Cleveland Clinic Lerner College of Medicine of Case Western Reserve University and is currently the general surgery residency program director at Cleveland Clinic Abu Dhabi. Dr. Akmal obtained his medical degree from Trinity College Dublin in Ireland. He performed an internship in surgery at the University of Southern California and completed his general surgical residency at Geisinger Medical Center in Pennsylvania. He then went on to complete fellowship training in Surgical Oncology at City of Hope National Medical Center in California. His areas of expertise include minimally invasive and robotic surgery, complex upper and lower gastrointestinal, hepatobiliary and pancreatic surgery for benign and malignant disease, colorectal cancer, soft tissue tumors, breast, thyroid and parathyroid surgery, and surgery for peritoneal malignancies with intraoperative administration of chemotherapy.

Dr. Aman PS Sohal

Consultant Pediatric Neurologist
Al Qassimi Women's and
Children's Hospital, Sharjah, UAE

Dr. Aman Sohal completed his comprehensive postgraduate training in the UK and obtained his MRCPCH in 2006 followed by CCT in Pediatric Neurology by the Royal College of Pediatrics and Child Health in 2012. Dr. Sohal is one of the very few Pediatric Neurologists in the U.K who also trained in Pediatric Neurophysiology as a post CCT fellow.

Prior to moving to UAE, he worked as a Consultant in Birmingham Children's hospital before starting his post at SKMC, Abu Dhabi in 2015. Dr Sohal has been working in Al Qassimi women's and children's hospital over the past 2 years.

Dr. Sohal has published widely in various pediatrics and pediatric neurology journals.

Dr. Yogesh More

Staff Physician, Otolaryngology
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr Yogesh completed his medical training in India and moved to the USA for higher speciality training. He completed his clinical training in Rhinology at Tufts University in Boston (2010-2011) followed by Clinical fellowship in Head Neck Surgery from Kansas University (2011-2012). He was appointed as clinical instructor at Kansas University. He also has research training in Otology from Miami Ear Institute, USA. He was conferred Fellow of American College of Surgeons in 2017. His areas of interest are Rhinology, Head Neck Thyroid Parathyroid along with General ENT.

Dr. Kamran Ahmad

Consultant Urologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Kamran Ahmed is a Consultant Urological Surgeon with specialist interests in andrology, male fertility and Genito-urinary reconstruction surgery.

He completed his specialist training in London, and undertook clinical fellowship training at University College London Hospital in andrology, reconstructive surgery, and infertility management. He holds a PhD degree from Imperial College London, and is also a NHS Clinical Entrepreneur. Kamran is a specialist in andrology (men's health, male sexual / erectile dysfunction, Peyronie's disease, low testosterone management), male fertility management, vasectomy reversal, and urethral stricture surgery (endoscopic and reconstructive i.e. urethroplasty).

He also has expertise in managing lower urinary tract disorders (caused by enlarged prostate or bladder dysfunction, or incontinence), recurrent urinary tract infections (cystitis, kidney infections), pelvic pain and chronic prostatitis, urolithiasis (renal tract stones) and other general benign and malignant urology conditions.

He has received a number of awards, and grants, from various organisations, including American Urological Association, European Association of Urology, the British Association of Urological Surgeons, the Royal College of Surgeons, the National Institute for Health Research, Coptcoat Charity, and Pelican Group. Kamran has published widely, with nearly 250 peer-reviewed indexed publications and 300 national and international conference presentations and abstract publications. He is editor and author of four urological textbooks, and has written a number of book chapters. He has served on the Editorial Board of British Journal of Urology International (BJUI). Kamran has a major interest in education, and is the lead for Surgical Sciences iBSc modules at KCL, the education lead for EULIS section of European Association of Urology (EAU), board member of Junior ERUS-EAU and tutor on the European Urology Resident Education Programme (EUREP). He has been invited as visiting professor or lecturer to institutions in the USA, Europe, and Middle East.

Dr. Moez S.G Ballal

Consultant Trauma & Orthopaedic Surgeon
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Consultant Trauma & Orthopaedic Surgeon with Fellowship Training in Foot Ankle Surgery

Dr. Abeer Ahmed Al Helali

Consultant Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Consultant Radiologist at Sheikh Khalifa Medical City , Abu Dhabi-UAE.

Graduated from Dubai Medical College, completed my Internship year in Department of Health and Medical Services Hospitals, Dubai.

Enrolled in internal medicine residency program at Mafrq hospital for 1 year then shifted to SKMC to complete my residency program journey in Radiology. I assigned to be chief radiology resident from 2013 to 2016 and was chosen as professional role model in Radiology for the academic year of 2014.

I completed Arab board exams in radiology by 2016 and worked as Specialist Radiologist at SKMC for 5 years then Consultant Radiologist at the same hospital till now.

Dr. Hussain Ali Aby Ali

Consultant Radiologist
Tawam Hospital, Al Ain, UAE

Dr. Hussain Ali Aby Ali is consultant Radiologist at Tawam Hospital since 2016

- Deputy Chair of radiology dep 2018-2020
- Physician lead 2020-till present
- Chair of head and neck MDT 2020-till present

Graduated from Jordan University of Science and Technology as a Doctor of medicine – Jordan, 2006

Master degree from Jordan University of Science and Technology in diagnostic radiology 2011

Arab Board in radiology and medical imaging 2012

Oncology imaging fellowship from King Hussein Cancer Center (KHCC) 2013

Specialist Radiologist in KHCC 2013-2014

Consultant Radiologist in KHCC 2014-2016 with interventional experience for 1 year.

Joined Tawam hospital in 2016 as head of CT section and becomes a deputy in 2018-2020.

In 2020, becomes the chair of head and neck MDT meeting till present

His main interest is oncology imaging, neuroradiology and head and neck radiology.

Dr. Asiya Maheen Khan

Consultant Radiologist
Cleveland Clinic Abu Dhabi
UAE

Dr Khan has successfully completed her Clinical Radiology training programme from West Midlands Deanery and achieved her CCT in United Kingdom. Subsequently she did her Breast & Gyn Imaging fellowship from Queen Elizabeth Hospital Birmingham, UK. She has completed a post graduate certificate in Medical Education from Dundee University, Scotland and is involved in regular teaching on FRCR Courses in UK and in the UAE. She has done a MSc Medical Management & Leadership from Birmingham University, UK and Post graduate Programme in Artificial Intelligence & Machine Learning from Austin Texas, USA and is involved in various managerial and AI related projects. She has also been a reviewer for esteemed various journals with high impact factors. Currently she is working as a Consultant Breast Radiologist at the Breast Imaging Institute of a destination medical centre - Cleveland Clinic Abu Dhabi.

Dr. Abhay Srinivasan

Assistant Professor, University of
Pennsylvania School of Medicine,
Consultant Interventional Radiologist,
Children's Hospital of Philadelphia, USA

Dr. Srinivasan is active in pediatric interventional and pediatric diagnostic radiology and is one of the senior interventional radiologists at the Children's Hospital of Philadelphia. He has an interest in pediatric vascular interventions, including vascular anomalies, lymphatic interventions, oncology interventions and liver/transplant interventions. He has experience across the breadth of pediatric interventional radiology, and has published and spoken extensively in the field. He is medical director of vascular access for the Children's Hospital of Philadelphia and also oversees medical education for the department. He also likes to play video games.

Dr. Narayan Karunanithy

Consultant IR
Guys and St. Thomas Hospital,
London, UK

Dr Karunanithy is Consultant Interventional Radiologist and Honorary Senior Lecturer at Guy's & St Thomas' NHS Foundation Trust, London. He is the Vascular Anomalies MDT Lead and his subspecialty interests include vascular malformation, venous and paediatric intervention.

He also serves as a member of the Professional Support and Standards Board at the Royal College of Radiologists and the Communications Committee at the British Society of Interventional Radiologists. He has authored over 40 publications and book chapters.

Dr. S. Murthy Chennapragada

Senior Staff Pediatric Interventional Radiologist, The Children's Hospital at Westmead - Sydney, Children's Hospital Network, Australia

Dr Murthy Chennapragada is dual fellowship trained paediatric and interventional radiologist based in Sydney, Australia. After graduating with MBBS, he received basic radiology training in India. He underwent specialty training with fellowships in Paediatric radiology at the Children's Hospital at Westmead, Australia, and in Vascular and Interventional Radiology at the University of Toronto, Canada. He is a Senior Staff specialist radiologist at the Children's Hospital at Westmead, and a member of Sydney Interventional Radiology Associates, a private Interventional radiology group in Sydney.

Murthy is one of the few specialists with the training and experience in treating both adults and children using interventional radiology. His areas of special interest include paediatric abdominal imaging, paediatric interventions in particular paediatric liver transplant related interventions, paediatric oncological interventions, renal vascular interventions, dialysis access interventions and treatment of vascular malformations.

Murthy has published widely in Radiology journals and is a regular invited speaker at national and international radiology conferences. He is a Clinical Senior Lecturer with the University of Sydney and is an examiner for paediatrics for part 2 FRANZCR examination.

Murthy is a member of RSNA, SIR, CIRSE and serves on the Executive Board of Directors for the Society for Pediatric Interventional Radiology (SPIR), on the Executive committee of ANZ. Society of Paediatric radiology (ANZSPR) and chairs the Paediatric IR subcommittee of IRSA.

Dr. Prakash Muthusami

Assistant Professor
Pediatric Interventional Neuroradiology
The Hospital for Sick Children,
University of Toronto, Canada

Dr. Prakash Muthusam leads the neurointerventional service at the Hospital for Sick Children (SickKids), Toronto. He treats and looks after children with complex neurovascular pathologies like vein of Galen malformations, aneurysms and arteriovenous malformations. He has pioneered Canada's largest intra-arterial chemotherapy service for babies with retinoblastoma, and is neuroradiology lead of the Acute Stroke Service at SickKids. He has co-developed a pediatric neurovascular clinic at SickKids, a referral hub for children with cerebrovascular pathologies. He is a clinical member of the Stroke Imaging Lab for Children, and the Center for Image Guided Interventions and Therapeutic Innovations.

Dr. Muthusami's research is focused on advancing the understanding of pediatric neurovascular diseases, and improving outcomes from neurointerventional therapies in children. As part of several international collaborative networks, he continues to innovate and translate practice-relevant questions in his field, and has participated in several international research consortiums. He has published over 60 papers and book chapters in the last 5 years. He is regularly invited as speaker, moderator and panel expert on pediatric neurovascular and neurointerventional topics.

Dr. Ravi Gadahadh

Consultant Interventional Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

- Consultant Interventional Radiologist at SKMC, Abu Dhabi
- Have worked in UK, Canada, India and UAE with over 24 Years of experience
- Fellowship in Adult and pediatric Interventional Radiology

Dr. Benjamin Rea

Consultant Radiologist and Honorary Senior Clinical Lecturer in Gastrointestinal and Abdominal Radiology, Department of Clinical Radiology,
Sheffield Teaching Hospitals / Academic Unit of Medical Education,
The Medical School, University of Sheffield

Benjamin Rea is a Consultant Radiologist in Gastrointestinal and Abdominal Radiology, and his main clinical interest is in hepatobiliary imaging and Inflammatory Bowel Disease. At a regional level he is the radiological lead for the development of Hepatobiliary Services, and nationally and internationally he is an active member of both the British Society of Gastrointestinal and Abdominal Radiology (BSGAR), and the European Society of Gastrointestinal and Abdominal Radiology (ESGAR). With the latter, he also works with the School of ESGAR, and Young ESGAR Groups to help produce and deliver GI based radiological education and will be presenting at ESGAR 2022. His interest in medical education has also led him to obtain a MSt (Dist) in Medical Education from the University of Cambridge. Currently, Dr Rea is involved in an NIHR Research Study related to Crohn's disease, and is an active reviewer for both Radiology and Gastroenterology based journals.

Dr. Gauraang Bhatnagar

Consultant Radiologist
Gastrointestinal Imaging
Frimley Health NHS foundation Trust, UK

Dr. Gauraang is a specialist luminal GI radiologist with a strong research and clinical background focussed on imaging of patient's with Crohn's Disease.

Dr. Samuel Withey

Consultant Radiologist
Royal Marsden NHS Foundation Trust
UK

Dr Withey attended Imperial College London medical school prior to radiology training at Guy's & St Thomas' and University College Hospitals in London. He is currently a consultant radiologist at Royal Marsden Hospital in London, the largest cancer centre in Europe and a leading centre for research related to urology and oncology. He is an expert in diagnostic uro-radiology and is a current committee member for the British Society of Urogenital Radiology. His research interests include development and validation of imaging biomarkers related to prediction of treatment response.

Dr. Yousef Alwan

Consultant Radiologist
Manchester Royal Infirmary
Manchester University NHS Foundation Trust

Dr. Yousef is a Consultant Radiologist working in Manchester. He is trained in Manchester, working at several hospitals, before taking on his Consultant post at Manchester Royal Infirmary.

Dr. Heminder Sokhi

Consultant Radiologist
The Hillingdon Hospitals NHS Foundation
Trust & Paul Strickland Scanner Centre,
Mount Vernon Hospital, UK

Doctor Sokhi is Consultant Radiologist at The Hillingdon Hospitals NHS Foundation Trust and Paul Strickland Scanner Centre (PSSC), Mount Vernon Hospital, with expertise in oncological imaging, body CT/MRI and a keen interest in prostate cancer diagnostics. She completed fellowships in body imaging at St George's Hospital London (2011) and PSSC, Mount Vernon Hospital (2012). Dr Sokhi has lectured at courses and meetings, and authored/co-authored publications in peer-reviewed journals, published scientific abstracts and educational exhibits. She was co-investigator for the IP1-PROSTAGRAM study on prostate cancer screening, and remains involved in research related to prostate cancer diagnostics. Outside work, she is a keen musician.

Dr. Nishat Bharwani

Consultant Radiologist, Head of Service for Urological and Gynaecological Imaging,
Imperial College Healthcare NHS Trust, London, UK.
Honorary Clinical Senior Lecturer, Department of Surgery & Cancer,
Imperial College Healthcare NHS Trust, London UK

Dr Nishat Bharwani is a Consultant Radiologist at Imperial College Healthcare NHS Trust and Honorary Clinical Senior Lecturer at Imperial College London. She qualified with honours from Guy's, King's & St Thomas' Medical School in 2000 and undertook basic medical training in London and Brighton, obtaining membership of the Royal College of Physicians in 2003. She completed general Radiology training at St George's Hospital (2003-2008) and a fellowship in body MRI at Barts and The London NHS Trust (2008-2010), becoming a Fellow of the Royal College of Radiologists in 2008. Her radiological interests include gynaecological imaging, oncological imaging and urological imaging and she has published in these areas. Nishat is head of specialty for Gynaecological and Urological Imaging at Imperial College Healthcare NHS Trust.

Nishat is heavily involved in teaching as joint Training Programme Director for Radiology trainees at Imperial, joint academic training lead for the London School of Radiology, and regularly delivers lectures and workshops both nationally and internationally. She is an examiner for the Royal College of Radiologists FRCR 2a examination.

Dr. Esat Memisoglu

Consultant Radiologist and
Radiology Programme Director
Cleveland Clinic Abu Dhabi, UAE

Esat Memisoglu, M.D., is a Consultant Radiologist and Director of Medical Education in the Imaging Institute at Cleveland Clinic Abu Dhabi since 2014. Prior to joining Cleveland Clinic Abu Dhabi, Dr. Memisoglu worked as a general Diagnostic Radiologist at Lakeland Radiologists, Ltd. in Illinois-USA. He also served as Assistant Professor of Radiology at St. Louis University Hospital in Missouri-USA. His academic productivity includes 15 articles published in peer reviewed journals, 24 abstracts, numerous presentations and awards. Dr. Memisoglu received his medical degree from Istanbul University in Turkey, in 1988. After his residency in Diagnostic Radiology at New York Methodist Hospital, he went on to complete Clinical Fellowships in body imaging at the New York Hospital-Cornell Medical Center and neuroradiology at Temple University Hospital in Philadelphia. He has additional expertise in cardiovascular and musculoskeletal imaging. Dr. Memisoglu is certified by the American Board of Radiology since 1996.

Dr. Sajid Butt

Consultant Musculoskeletal Radiologist,
Royal National Orthopaedic Hospital,
Stanmore, Harrow, UK

I graduated from the Quaid e Azam University, Islamabad in 1989. I completed my radiology fellowship from Guy's and St. Thomas' Hospital NHS Foundation Trust in 2004. Fellowship in Orthopaedic radiology from Robert Jones and Agnes Hunt Orthopaedic Hospital Oswestry in 2004. I have been working as a consultant radiologist at the Royal National Orthopaedic Hospital, London since 2005.

My areas of specialist interest are diagnostic and interventional musculoskeletal radiology and sports imaging.

Dr. Ian Pressney

Consultant Musculoskeletal Radiologist
Royal National Orthopaedic Hospital,
Stanmore, Harrow, UK

Dr. Ian Pressney is a Consultant Musculoskeletal (MSK) Radiologist at Royal National Orthopaedic Hospital, Stanmore, UK

Dr. Khizer Rana

Consultant Musculoskeletal Radiologist
Mediclinic Parkview Hospital, Dubai, UAE

Dr. Rana is trained in Musculoskeletal and General Radiology. He has over 10 years of Radiology experience working in various hospitals in the UK including Chelsea and Westminster Hospital London, Nottingham University Hospital and Royal Orthopaedic Hospital, Birmingham.

He has extensive experience in image guided injections and interventions, including joint injections for arthritis, carpal tunnel syndrome and various other musculoskeletal conditions.

Dr. Vijay Papineni

Consultant Musculoskeletal Radiologist
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Dr Vijay Papineni is a Consultant Radiologist with special interest Musculoskeletal Radiology, Sports imaging and Artificial Intelligence.

He was awarded MRCS by Royal College of Surgeons, Glasgow in 2000 following his surgical training. He completed his Radiology specialist training from Sheffield Radiology Training Scheme in South Yorkshire, UK and obtained FRCR from Royal College of Radiologist, UK in 2006. Following which he was awarded a Certificate of Completion of Training (CCT) in Clinical Radiology.

He was also awarded Diploma in MSK Radiology by European Society of Skeletal Radiology (ESSR) and Post Graduate Diploma in Clinical Education by Royal College of Physicians and Surgeons of Glasgow in 2013. Recently he completed Post Graduate Program in Artificial Intelligence and Machine Learning from University of Texas, USA.

He worked as a full time Consultant Radiologist at NHS hospitals in the UK for more than 6 years. He relocated to Abu Dhabi in the UAE 8yrs ago, initially working as a full time Consultant Radiologist at Mafraq Hospital for 6 years followed by Sheikh Shakhbout Medical City last 2 years.

Dr. Rashid Alsharhan

Consultant Musculoskeletal Radiologist
Tawam Hospital, Al Ain, UAE

Dr. Alsharhan, a graduate of Faculty of medicine and health sciences - UAE University, is a consultant radiologist in Tawam Hospital – Al Ain (SEHA).

He is a Canadian board certified radiologist (McGill University) and has completed fellowship training in Musculoskeletal, Trauma and Emergency imaging at the University of British Columbia.

Dr. Sniya Sudhakar

Consultant Pediatric Neuroradiologist
Great Ormond Street Hospital
London, UK

- Consultant Pediatric Neuroradiologist at GOSH, London
- Former Professor of Radiology, CMC, Vellore
- Clinical fellowship in Pediatric Neuroradiology from Sick Kids Toronto
- Academic and research interests include Neurogenetics, Fetal imaging, Neuroinflammation and Neurooncology
- More than 50 peer reviewed articles and book chapters, h index -10.

Dr. Mohammed Tawil

Consultant Pediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

- Graduated from Tripoli University and acquired higher qualification (Diploma - DCH and Membership of the Royal College of Paediatrics and Child Health - MRCPCH) from England.
- Trained in radiology in Liverpool, and obtained a paediatric radiology fellowship from Alder Hey Children Hospital in 2004.
- Worked as a consultant paediatric radiologist in Alder Hey Children Hospital for 12 years with a special interest and as a lead consultant in fetal MRI.
- Honorary clinical lecturer and examiner – University of Liverpool (2008 to 2016)
- Royal College of radiologist Tutor 2007 -2009
- Journal Peer Reviewer for many radiology journals such as Clinical Radiology and British Journal of Radiology (BJR)
- Invited speaker in many local and international meetings.
- In June 2016 moved to Abu Dhabi, working in Sheikh Khalifa Medical City, actively involved in setting up comprehensive paediatric radiology services across SEHA facilities.

Dr. Musa Kaleem

Consultant Pediatric Radiologist
Alder Hey Children's Hospital
Liverpool, UK

Dr Kaleem undertook Clinical Radiology training in Merseyside in the UK and has worked as a consultant in the NHS (UK) since 2007. Cardiothoracic imaging is one of his major interest areas alongwith musculoskeletal and neonatal imaging. Dr Kaleem leads a team of 15 paediatric radiologists and has a keen interest in teaching, research and quality improvement activities. He has published in and supported editorial work for several peer reviewed journals over the years.

Dr. Gurdeep Mann

Senior Attending Physician
Department of Radiology,
Sidra Medicine, Doha, Qatar

Gurdeep is a member of the Royal College of Physicians and undertook his radiology residency in the UK. He completed a fellowship in Pediatric Radiology at British Columbia Children's Hospital, Vancouver, Canada.

He worked as Consultant Radiologist at Alder Hey Children's Hospital in Liverpool for seven years where he edited the first text on Imaging of Gynecological Disorders in Children and has also coauthored numerous book chapters. He moved to Sidra Medicine in 2014 as Clinical Lead for Cardiac Cross-sectional Imaging and developed the congenital cardiac imaging program supporting the research of the Sidra Heart Center in Doha. He obtained an MBA from Imperial College, London, and serves as Associate Editor of the British Journal of Radiology and is an active peer reviewer for several radiology journals.

SPEAKERS BIOGRAPHY | 11th SEHA International Radiology Conference

Dr. Madhavi K

Associate Professor & Lead of MSK Radiology
Sub-Unit, Department of Diagnostic Radiology,
Christian Medical College & Hospital,
Vellore, India

I am graduated from the National Board, with career spanning a little over a decade. My primary interest is musculoskeletal radiology. Currently, heading the MSK Radiology subunit in my department. My special interest is paediatric musculoskeletal radiology and neuromuscular disorders. My other field of choice is head and neck radiology. Interested in research with 12 publications in various journals and 4 book chapters. Invited faculty for MSK and Head and neck imaging at numerous national and state conferences of repute.

Dr. Praveen Kumar Chinniah

Fellow in Musculoskeletal Radiology
Christian Medical College, Vellore, India

- Junior residency in Radiology (MD) from Lady Hardinge Medical College, New Delhi Senior residency in Radiology at Christian Medical College (CMC), Vellore for 3 years
- Served in various health care institutions in North East India for 2 years
- Currently pursuing fellowship in Musculoskeletal Radiology at CMC, Vellore

Dr. Pratik Patel

Assistant Professor of Thoracic Imaging
University of Florida, USA

Dr. Pratik Patel is a radiologist in Gainesville, Florida. He received his medical degree from University of Alabama School of Medicine and has been in practice between 6-10 years.

Dr. Bruno Hochegger

Clinical Professor of Radiology
Shands Hospital, University of Florida, USA

Dr. Bruno Hochegger is a Thoracic Radiologist with PhD in chest diseases. His research interest areas are magnetic resonance of chest, new imaging methods in lung cancer and interstitial lung diseases.

SPEAKERS BIOGRAPHY | 11th SEHA International Radiology Conference

Dr. Klaus K. Irion

Consultant Radiologist
Manchester University NHS Foundation Trust, UK

Consultant Radiologist Manchester University NHS Foundation Trust.

Medical School: PUCRS (Brazil); PhD: UFRGS (Brazil); Membro Titular Brazilian College of Radiologists (Brazil); FRCR.

From April 2022, moving to Department of Radiology, University of Florida, Gainesville.

Dr. Srujana Ganti

Associate Consultant, Department of Radiology
SingHealth Duke-NUS - Sengkang General Hospital, Singapore

Dr. Ganti graduated from The University of Sheffield, UK. After completing her Radiology training, she undertook a fellowship in Thoracic Imaging with The Manchester University NHS Foundation Trust, UK. She was subsequently appointed as a Consultant Radiologist at The Christie NHS Foundation Trust, UK and currently, practices in Sengkang General Hospital, Singapore with a specialist interest in Cardiothoracic Imaging.

Dr. Nupur Verma

Associate Professor of Radiology
Director, Diagnostic Radiology Residency
University of Florida, USA

Dr. Verma is an associate professor and Program Director of Diagnostic Radiology at University of Florida in Gainesville, Florida. She completed her residency training at University of Washington and Cleveland Clinic and her fellowship at University of Washington's Harborview Trauma Center in Trauma and Emergency Radiology. Her academic interests are in trauma imaging and CT lung cancer screening.

Dr. Jeremy Steele

Assistant Professor of Pediatrics
Assistant Professor of Radiology &
Biomedical Imaging, Director, Congenital
Cross-Sectional Cardiac Imaging
Yale University School of Medicine, USA

I joined the Department of Pediatrics, section of Pediatric Cardiology at Yale School of Medicine in August 2019. My area of expertise is non-invasive imaging. Specifically with a focus on cardiac magnetic resonance imaging (MRI) and cardiac computed tomography (CT) of children and adults with congenital heart disease. I completed my residency in pediatrics at Golisano children's hospital in Syracuse, NY and from there moved to the Cleveland Clinic for my fellowship in pediatric cardiology. My second fellowship in non-invasive imaging was completed at Cincinnati Children's Hospital Medical Center. My research is divided between the different non-invasive imaging modalities. From a cardiac MRI standpoint I am involved in research involving a new transcatheter pulmonary valve, the Harmony valve. I am studying the cardiac effects of COVID-19 in children with cardiac involvement post infection and post vaccination. I am continuing my work on atrial strain using cMRI to assess atrial strain in tetralogy of Fallot patients.

Dr. Jonathon A. Leipsic

Professor and Head of Radiology,
University of British Columbia, USA

Jonathon A. Leipsic, M.D., F.R.C.P.C. M.S.C.C.T is the Chair of the UBC Department of Radiology. He is a Professor of Radiology and Cardiology with the University of British Columbia. Dr Leipsic is also a Canada Research Chair in Advanced Cardiac Imaging. Dr. Leipsic has over 660 peer reviewed manuscripts in press or in print, over 350 scientific abstracts, and editor of 2 textbooks. He speaks internationally on a number of cardiac imaging topics with over 150 invited lectures in the last 4 years. He is also past President of the Society of Cardiovascular CT (2015-2016) and was awarded its Gold Medal in 2019 and was recently named to the prestigious Top 1% most impactful scientist designation by the Web of Science 3 years in a row (2019-2021).

Dr. Anna Bader

Chief, Thoracic Imaging
Assistant Professor of Radiology and Biomedical Imaging
Yale University School of Medicine, USA

Dr. Anna Bader is Chief of Thoracic Imaging and Assistant Professor of Radiology & Biomedical Imaging at the Yale University School of Medicine in New Haven, CT, USA. She received her diagnostic radiology training, including a fellowship in cardiothoracic imaging, at Montefiore Medical Center and completed the Clinical Research Training Program at Albert Einstein College of Medicine. Dr. Bader is dedicated to radiology education, designing the thoracic and cardiac resident curricula and was on the Cardiac Certifying Exam Committee of the American Board of Radiology. Her research interests include the application of artificial intelligence to chest radiology and imaging-based screening and risk stratification.

SPEAKERS BIOGRAPHY | 11th SEHA International Radiology Conference

Dr. Leah Traube

Assistant Professor of Radiology
and Biomedical Imaging,
Yale University School of Medicine, USA

Assistant Professor of Radiology & Biomedical Imaging at Yale University. Her interests include resident and medical student education, patient safety and quality. She leads the Peer Learning program in the section of Thoracic Imaging.

Dr. Hamid Mojibian

Associate Professor of Radiology,
Biomedical Imaging and Cardiology,
Section Chief Cardiac Imaging
Yale University School of Medicine, USA

Dr. Mojibian moved to the United States to pursue additional training in Radiology in 1999. He joined the Yale School of Medicine faculty in 2006 after completing the Vascular Interventional Radiology fellowship and then one year of Cardiovascular fellowship. He has served as the section chief of cardiac imaging since 2007. His areas of expertise are non-invasive cardiovascular imaging, including CT and MR, and arterial and venous advanced interventions.

He currently is the interim chair for Yale-New Haven Bridgeport Hospital Radiology.

Dr. Usman Shaikh

Consultant Interventional Radiologist,
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

I am a fellowship trained Interventional Radiologist. I am UK trained and following that spent 9 years at consultant level there, performing vascular and non-vascular intervention.

I have been based at Shaikh Khalifa Medical City for the last 18 months.

Dr. Nadeem Akram Butt

Consultant Musculoskeletal
Radiologist, Health Point Hospital,
Abu Dhabi, UAE

Dr. Butt holds a Bachelor's of Medicine and Surgery from King Edward Medical College, Lahore, in 2002. He did his basic surgical training in Peterborough in England, UK, in a busy trauma center and major orthopedic surgery center. While there, he completed Membership of Royal College of Surgeons, Edinburgh (MRCS) in 2007.

He completed radiology training in Glasgow and obtained his Fellowship of Royal College of Radiologists (FRCR) in 2010 and Certificate of Completion of Training (CCT) in 2012. He has worked at most renowned premier institutes including Glasgow Royal Infirmary, Beatson Oncology Centre, and Southern General Hospital (now Queen Elizabeth University Hospital).

With extensive experience at leading medical facilities across UK and the Middle East, Dr. Butt has been responsible for facilitating continuing medical education (CME) and training courses. He has keen interest in Health informatics and has extensive experience in IT, in particular PACS/RIS software, Health information exchanges at many premier institutions. He has been integral part of Total Quality Management and Accreditation process.

Immediately prior to joining Healthpoint in 2021, Dr. Butt worked as a consultant MSK radiologist at a well-known hospital in Abu Dhabi from 2018.

Dr. Butt is also the UAE supervisor for European Society of Radiology, for European Diploma in Radiology in the UAE. The EDiR is an additional qualification of excellence, which serves as a tool for the standardization and accreditation of radiologists across European borders. It provides an international benchmark for general radiology and is officially and fully endorsed by the European Union of Medical Specialists (UEMS) and the ESR.

Dr. Fatma Al Zeyoudi

Specialist Pediatric Radiologist
Sheikh Khalifa Medical City
Abu Dhabi, UAE

Dr. Fatmah is a graduated from Royal College of Surgeons in Ireland and proceed with her Diagnostic Imaging Residency program in Sheikh Khalifa Medical City (SKMC). She sub-specializes in Pediatric Radiology.

Dr. Batool Essa Al Balooshi

Head & Consultant Nuclear Medicine
& Molecular Imaging PET-CT,
Dubai Nuclear Medicine & Molecular
Imaging Center, Dubai Hospital -
Dubai Health Authority, UAE

Education and Qualification

2006-2012 • Technische University Munich (TUM), klinikum rechts der Isar, Nuclear Medicine and Molecular imaging department, German Board of Nuclear medicine and Molecular imaging (Facharzt), CT scan certified

05/2011 • European board of Nuclear Medicine (EBNM) - Austria, Vienna,

Work Experience:

- Currently working in Dubai Health Authority as head and consultant Nuclear Medicine & Molecular Imaging
- Counterpart of Dubai Health Authority in International Atomic Energy Agency (IAEA).

Dr. Rizwan Syed

Consultant
Sheikh Shakhboub Medical City
Abu Dhabi, UAE

Special interest oncology/PET/CT/ PET/MRI and Radionuclide therapy. Over 50 peer reviewed Publications and research abstracts. On the Editorial Team of various Nuclear Medicine Journals. Member EANM (European Association of Nuclear Medicine) academic committees. Neuroendocrine Tumour Unit Team member at Wellington Hospital London, UK. He is reviewer for Nuclear Medicine Communications, Journal of Oncology and Allied Specialities, European Journal of Nuclear Medicine and Molecular imaging.

Dr. Maseeh Uz Zaman

Professor, Head NM & PET/CT Imaging
Services, Dept of Radiology,
Aga Khan University Hospital, Pakistan

Professor Maseeh uz Zaman, is a nuclear physician, leading NM and PET/CT imaging services of Aga Khan University Karachi. He is a Diplomate American Board of Nuclear Cardiology, has master's degree in nuclear medicine and has been awarded fellowships by College of Physician and Surgeons Pakistan (CPSP), European Board of Nuclear Medicine (EBNM), American Society of Nuclear Cardiology (ASNC) and Royal College of Physicians, Edinburgh (RCP-Ed). Professor Zama is an author of numerous publications and has contributed chapters in 03 books as well.

Dr. Hidayath Ali Khan Ansari

Chair, Department of Nuclear Medicine
and Metabolic Imaging, ClevelandClinic
AbuDhabi, UAE

Dr. Hidayath Ali Ansari is Consultant Radiologist, Chief of Nuclear Medicine at the Imaging Institute of Cleveland Clinic Abu Dhabi and Medical Director of Cleveland Clinic Abu Dhabi (AlAin Branch).

Prior to his career in UAE; Dr. Ansari worked as a Consultant Radiologist and Clinical Director for the Department of Radiology at the University Hospitals of Morecambe Bay (NHS) Trust in Lancaster, UK and as Chair of the Radiology, Lancashire Cancer Network. He completed his residency and Fellowships in Specialist Radiology Training at Manchester with PET-CT fellowship at the University Hospital Zurich in Switzerland.

His areas of Specialist Expertise include PETCT, Nuclear medicine, SPECTCT, CT Colonography and MR Enterography. He has worked with his team to establish American College of Radiology accreditation, contrast enhanced PETCT and new isotope services including DAT Imaging for Parkinsonism, Sentinel node mapping, Gallium PETCT for prostate and Neuro endocrine tumors. He has been awarded Clinical Excellence award in 2019 for recognition of his contribution.

He is a fellow of Royal College of Radiologists, actively involved in education and research. He received Four NHS Clinical Excellence Awards from University Hospitals Morecambe Bay NHS in-between 2009 and 2014 in recognition of exceptional contributions to patient safety, quality of clinical care and education.

Dr. Zahid R Khan

Senior Consultant Nuclear Medicine
Fujairah Hospital, UAE

I am senior Consultant in Nuclear medicine working in Fujairah Hospital, Emirates Health Services. I am American Board Certified and specialized in all aspects of Clinical Nuclear Medicine, Nuclear Cardiology, SPECT/CT and PET/CT. I am author of several international publications and presented several research papers in international conferences.

Dr. Tan-Lucien Mohammed

Vice Chair, Education, Professor &
Chief, Thoracic Imaging
University of Florida, USA

- Fellowship - Diagnostic Radiology, University of Maryland, 2004
- Residency - Diagnostic Radiology, University of Nebraska, 2003
- Internship - Michigan State University, 1998
- Medical Degree - Meharry Medical College, 1997
- Board Certification - Diagnostic Radiology - American Board of Radiology

Honors and Awards

- "Most Effective Radiology Educator"; AuntMinnie.com Award Winner (Second Place); 2012,
- Certificate of Merit; Scientific Research Poster Presentation at the 28th Annual Meeting of the Society of Thoracic Radiology; Poster: "Adrenal Imaging on Chest Computer Tomography: Common Lesions the Chest Radiologist Should Know"; N Verma, J Kirsch, TLH Mohammed; 2011,
- "Most Effective Radiology Educator"; 2010 AuntMinnie.com Award Winner (Second Place); 2010,
- Cleveland Clinic Graduate Medical Education Program Directors "Certificate of Distinguished Development"; 2009 and Ndash; 2010,
- "Most Effective Radiology Educator"; AuntMinnie.com Award Winner (Second Place Tie with Dr. Jennifer Gould of Washington University); 2009

Dr. Asif Moin

Consultant Nuclear Medicine Physician,
Sheikh Khalifa Medical City,
Abu Dhabi, UAE

I received my medical degree from Dow Medical College Karachi Pakistan. I completed my nuclear medicine residency training from Mallinckrodt Institute of Radiology at Washington University in St. Louis Missouri USA. This was followed by PET Imaging fellowship training and research fellowship from St. Louis University.

I have worked as a Staff Physician in St. Louis VA Medical Center and had an adjunct appointment as Assistant Clinical Professor in St. Louis University. Later I moved to Saudi Arabia, where I worked as a Consultant Nuclear Medicine and PET Imaging at King Fahad Specialist Hospital Dammam and also Head the Section of Nuclear Medicine for several years.

Currently, I am working as Consultant Physician in Department of Radiology at Sheikh Khalifa Medical City Abu Dhabi. I have co-authored several peer review manuscripts and presented in various International meetings.

GE Healthcare

Advance Ultrasound Solutions in Chronic Liver Disease Management

SYMPOSIUM
12 March, 2022 | Saturday
12:45 - 13:15

SPEAKER PROFILE

Mr. Ammar Kamal

Clinical Application & Education Manager
General Imaging Ultrasound – Emerging Markets
GE Healthcare, Dubai, UAE

Ammar has 12 years experience in Ultrasound Clinical application field within Middle East & Africa region with focus on Ultrasound advanced solutions within radiology practice.

Wide Volume CT 2022 Update

SYMPOSIUM

13 March, 2022 | Sunday
12:45 - 13:15

SPEAKERS' PROFILE

Mr. Murat Kurakoc

Clinical Manager, CT
Canon Medical Systems Corporation
Dubai, UAE

Murat Karakoc has 30+ years of experience with multi-modality imaging systems. Originating from Turkey, he graduated from Ankara University Health Services Vocational School in 1991. He also has a BS from Eskisehir University Economy Faculty. For 14 years he held different positions in Radiology departments within Private Clinics-Hospitals and Ankara University Faculty of Medicine Ibn-i Sina Hospital. He has 7 years of experience in MRI, 4 years in DSA and 8 years in CT as technologist. Afterwards, he started his new career as CT Education Specialist in 2006. Following this assignment, he gained experience in multimodality imaging systems. He was responsible for the education of all CT system users in Turkey, Middle East & Central Asia between 2006-2019. He is now a part of Canon Medical team as CT clinical manager based in UAE.

Mr. Waddah Alolabi

MR & CT Business Line Manager
Canon Medical Systems Corporation
Dubai, UAE

Bachelor of Science in Biomedical engineering 2002 – 2007 Jordan University of Science and technology. Master of business administration MBA 2019 – 2021 Geneva business school. Waddah began his career as CT & MRI sales specialist in 2007. He moved to hold the position of CT Sales leader for Middle East Iran and Pakistan for five years. He joined Canon Medical Systems in the new office in Dubai on 2020 to manage Canon CT and MR business in the Middle East.
