WELCOME MESSAGE

Dr. Anwar Sallam

Dr. Jamal Al-Jubeh

Dear Colleagues,

On behalf of the scientific committee, it gives us immense pleasure to invite you to the **13th SEHA International Pediatric Conference** that is planned to be held on **17-19 January, 2019** at Rosewood Hotel in Abu Dhabi, UAE.

SEHA Pediatric Conference is an innovative, informative and a unique International platform reflecting the direction of Pediatrics in the 21st century and offers a wide range of diversions to participants of all backgrounds. This Pediatric conference provides an excellent opportunity to discuss the latest developments within the field.

The program aims to discuss the recent advances and emerging trends in the management and treatment of common problems in General Pediatrics, Pediatric Hematology/Oncology, Pediatric Endocrinology, Genetics and Metabolic, Pediatric Gastroenterology, Pediatric Pulmonology, Pediatric Cardiology, Pediatric Neurology, Pediatric Nephrology, Pediatric Radiology, Pediatric Urology, Pediatric Nutrition, Infection, PICU, Allergy, Immunology, and emergency, etc. This Annual Congress on Pediatrics offers an exclusive opportunity for investigators across the region to meet, network, and perceive new scientific innovations.

Some of the world's leading experts from The Children Hospital of Philadelphia, Cincinnati Children's, Children's National and Boston Children's Hospital, in addition to an elite roster of eminent local and regional speakers are going to speak at SEHA International Pediatric Conference to encourage exchange of knowledge, experience and best practices for the betterment of child health.

This international Pediatric Conference also encourages the active participation of young researchers as we are hosting Poster Award Competition at the conference venue.

As the premier event, we have developed a high quality scientific program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the region but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with leaders and experts.

This pediatric forum provides an excellent chance to network with your peers, share views, exchange knowledge and establish academic and clinical collaborations.

This is an opportunity not to be missed!

Looking forward to welcome you in January, 2019 in the magnificent city of Abu Dhabi.
