Welcome Message

Dr. Anwar Sallam

Dr. Jamal Al-Jubeh

Dear Esteemed Colleagues,

We extend our warmest greetings on behalf of the scientific and organizing committees and take immense pleasure in inviting you to the prestigious 18th SEHA International Pediatric Congress (SIPC 2024). This grand event is scheduled to take place from 16th to 18th February 2024 at the Conrad Abu Dhabi Etihad Towers in the vibrant city of Abu Dhabi, UAE.

SIPC 2024 promises to be an extraordinary gathering, bringing together a distinguished panel of local and international faculty members, each boasting decades of experience from leading pediatric institutes worldwide. Their expertise and knowledge will create a dynamic platform for attendees to explore the forefront of this active scientific field, fostering learning, engaging in thought-provoking debates, and providing unparalleled networking opportunities.

The congress will be structured around two specialized conferences: Pediatric Conference and Pediatric Urology Minimal Invasive Conference. Our dedicated scientific committee has meticulously curated a comprehensive three-day program, with a keen focus on addressing current challenges and clinical advancements in pediatrics. Renowned pediatric experts will share the latest updates in managing and diagnosing common pediatric diseases and disorders.

To enrich the learning experience further, we have thoughtfully allocated dedicated time slots for practical workshops. These interactive workshops will empower delegates to actively engage and gain hands-on experience with the latest developments and future perspectives in the field. We firmly believe that this approach will immensely benefit our attendees and contribute to their professional growth.

This congress serves as an excellent opportunity for pediatricians and other healthcare professionals to participate in a dedicated event that highlights the advancements in pediatric care. It offers a perfect environment to connect with colleagues, forge new collaborations, and broaden networks. By focusing on the diverse aspects of pediatric diseases and the continuous improvement of patient care, SIPC 2024 aims to facilitate extensive knowledge exchange and contribute significantly to the enhancement of pediatric healthcare practices worldwide.

Moreover, the attraction of Abu Dhabi beckons. Explore the blend of tradition and modernity that characterizes this captivating city. Experience its rich cultural heritage, marvel at its modern architecture, and partake in enriching activities that promise unforgettable memories.

We are excitedly looking forward to welcoming each one of you to the beautiful city of Abu Dhabi in February 2024. Your presence and participation will undoubtedly make SIPC 2024 an unforgettable and impactful event.

Warm regards,
