Welcome Message

Dr. Nawal Al Kaabi

Abeer Khallaf

Dear Colleagues,

On behalf of the scientific committee, it gives us immense pleasure to announce the **2nd International Conference on Prevention and Control of Infection (UAE APIC)**, which is going to be held on **13-15 September, 2018** at Jumeirah Etihad Towers Hotel in Abu Dhabi, UAE.

We cordially invite Infection Control Practitioners, Physicians, Microbiologists and other healthcare and public health professionals who are interested in sharing their knowledge and research in the arena of Prevention and Control of Infection to join our leading international faculty.

The scientific program aims to discuss key issues and latest advances and controversies in the arena of Prevention and Control of Infection across a broad range of sessions and workshops for professionals looking for solutions to prevent infection and improve care.

Prominent national and international speakers and leading experts from the field will provide comprehensive, up-to-date, research-based answers to the most frequent questions that arise on Prevention and Control of Infection in everyday practice.

2018 UAE APIC Conference anticipates more than 800 participants around the region with thought provoking keynote lectures, updates on multiple topics, plenary sessions, oral presentations and poster presentations, expert review and discussions on hottest topics in Prevention and Control of Infection.

This is an excellent opportunity for key opinion leaders, clinicians, policy makers, and stake holders in the infection control community to interact and share their knowledge and expertise and to foster relationships and discuss future collaborations to enhance the quality and safety practices in Prevention and Control of Infection in the UAE and the region.

This is an opportunity not to be missed!

Looking forward to welcome you in September, 2018 in the magnificent city of Abu Dhabi.
