

5th International Conference on Prevention and Control of Infection

15-17
November, 2021

VIRTUAL
CONFERENCE
Abu Dhabi, UAE

"Prevention and Control of Infection During the Era of COVID-19"

The largest gathering of infection prevention community in the region

Welcome Message

Dr. Nawal Al Kaabi

Dear Colleagues,

With the huge success from the previous Infection Prevention Conference 2020, it's our honour and pleasure to invite you to attend the **5th International Conference on Prevention and Control of Infection** that is planned to take place on **15-17 November, 2021 as a Virtual Conference, Abu Dhabi, UAE.**

The conference deliberation will be on the theme **"Prevention and Control of Infection During the Era of COVID-19"** bringing together the best minds in the world to confront health challenges with innovative and impactful ideas.

This intriguing event has taken the initiative to gather the world class experts both from Academic and Industry in a common platform at Infection Prevention and Control Conference 2021 to share their recent research finding to the world and enlighten other esteemed delegates on latest trends in the field of Infection Prevention, Control and Cure.

An outstanding faculty of speakers from the United States, Canada, Europe and the Middle East has committed to participate in this meeting. ICPCI 2021 conference brings together an International collaboration of Scientists, Researchers, Infectious Diseases Specialists from leading universities and research institutions making the conference a perfect platform to share experience, foster collaboration across industry and academia, and evaluate emerging technologies across the globe.

The Program aims to discuss key issues and latest advances and controversies in the arena of prevention and control of infection across a broad range of sessions and Keynote lectures include Environment and infection preventions, Infections in the ICU; Education models; Disinfection; Use of antimicrobials; Governmental regulation; Reuse of single-use devices; Admission screening; Bundles and checklists; Surgical site infections, oral presentations, poster presentations, interactive discussions and workshops for professionals looking for solutions to prevent infection and improve healthcare in everyday practice.

This meeting is the primary opportunity for practicing infection control practitioners, Physicians, Microbiologists and other healthcare professionals who are interested in sharing their knowledge and research in the arena of prevention and control of infection to join our leading international faculty

The event will provide all attendees with opportunities to learn, debate, discuss, and network in this very active scientific field where recent progress has led to finding out about uncommon illnesses and its advances.

We all look forward to seeing you in Abu Dhabi.

This should be the meeting you plan to attend in 2021!

Dr. Nawal Al Kaabi

Conference President
Paediatric Infectious Disease Consultant

Welcome Message

Ms. Abeer Khallaf

Dear Colleagues,

It is our honor and pleasure to invite you to attend the **"5th International Conference on Prevention and Control of Infection"** scheduled to be held **virtually on 15-17 November, 2021** in Abu Dhabi, UAE.

The conference deliberation will be on the theme **"Prevention and Control of Infection During the Era of COVID-19"** bringing together the best minds in the world to confront health challenges with innovative and impactful ideas.

The 5th ICPCI 2021 features state-of-the-art advances in prevention and control of infection delivered through an expert panel of local and international faculty with decades of experience at leading infection prevention institutes.

With COVID-19 Pandemic many challenges exist, but by drawing on the successes from the past and moving forward with new knowledge together, we are shifting all our efforts to ensuring that our ICPCI conference delivers the best content and experience possible and we can help shape a better future for professionals and patients alike.

The program provides an international platform, gathering healthcare professionals and leaders across prevention and control of infection arena to transform safety, quality and patient experience. The ICPCI 2021 is a great opportunity for participants to share views, exchange knowledge and establish collaborations and networking; leading us to better face future challenges.

The ICPCI Annual Conference is one of the most comprehensive infection prevention conferences in the Middle East region, with educational sessions and programs led by experts from across the globe presenting strategies that can be implemented immediately to improve prevention programs and make healthcare safer.

The Conference attendees will be able to hear keynote speakers, attend educational sessions, panel discussions, case studies, debates, workshops and explore a virtual exhibit hall, and network with one another in real time.

We feel confident that the ICPCI 2021 will serve as a place of learning where we can all share the latest models, approaches, and research representing for all participants a treasured personal and professional experience.

We are looking forward to welcoming you at the conference.

This is an event not to be missed !

Ms. Abeer Mohammed Khallaf

Conference Chair
President APIC Chapter UAE,
Prevention and Control of Infection Manager,
Sheikh Khalifa Medical City, Abu Dhabi, UAE

- Quality Director
- Chief Quality Officers
- Risk Management Professionals

5th International Conference on Prevention and Control of Infection

15-17
November, 2021

**VIRTUAL
CONFERENCE**
Abu Dhabi, UAE

What is a Virtual Conference?

A virtual conference is an event that happens completely online that attendees can access from wherever they are, providing they have internet access. By using the purpose-built platform, the event will be available online via PC, mobile or tablet for all to attend. The high-quality audio and visual feed can be accessed by participants globally. Delegates can interact, network and collaborate using web chat, audio chat or video chat functionalities built into our virtual event platform.

Features

- Delegates can view in real time and switch between parallel sessions and access recordings of all sessions for up to one month after the conference within the platform.
- The online platform is being built to guarantee online networking opportunities with speakers and fellow conference delegates.
- Posters and a virtual exhibit hall are integrated.
- Compete with fellow participants to win a prize on our interactivity leader board, making connecting from your home or office more fun!

Meeting Room

Exhibitor Booth

Exhibition Hall

ICPCI Virtual Conference 2021

The online conference platform has been designed to guarantee a truly immersive and virtual experience for all participants. You will be able to network with exhibitors directly on the virtual booths and with fellow delegates using the intra-environment emails or instant chats along with open discussions in the lounge area with a special group chat included.

Free time to visit the exhibition and posters has been integrated into the program along with facilitated networking opportunities with speakers and fellow conference delegates.

Continuing Medical Education

"An application has been made to the UEMS EACCME® for CME accreditation of this event"
