Welcome Message

Dear Colleagues,

On behalf of the scientific committee, it gives us immense pleasure to welcome you to the **"7th Abu Dhabi International Conference in Dermatology and Aesthetics"**, being held on **16-18 September, 2021** as a **Hybrid Conference at Conrad Abu Dhabi at Etihad Towers, Abu Dhabi, UAE.**

AIDA Congress is an international meeting developed specifically to gather world class scientists, renowned teaching faculty experts, and thought leaders to encourage exchange of knowledge, experience and best practices in the arena of dermatology and aesthetic medicine. The program includes sessions on Dermatology, Anti-Aging, Cosmetics, Plastic Surgery, Laser & Diagnostic, Minimally Invasive Aesthetic, IMCAS Alert Session, Case Discussions, Hands on Workshops and other related disciplines of dermatological sciences.

The conference aims to aggregate clinicians, researchers, academicians, and scientists from the Dermatology, Aesthetic Medicine and Plastic Surgery community to create an avenue towards booming exchange of knowledge and information on technological advances in dermatology and Aesthetics. The three-day program is designed to deliver insight, updates and practical learning on all aspects of skin diseases across a broad range of sessions, workshops and live demonstrations for dermatologists, plastic surgeons and related professions looking forward to provide outstanding patient care.

All aspects of Dermatology, Dermatologic Surgery, Plastic Surgery, Aesthetic Medicine, Cosmetics, Laser Technology and Anti-aging including new advancement and developments, clinical applications, controversies, and others will be explored by the field pioneers, In addition to, multiple comprehensive clinical cases, hands-on workshops and satellite symposia.

The speakers are world-renowned Dermatologists and Plastic Surgeons coming from reputable medical institutions from the USA, Canada, UK, France, Greece, Italy, Russia, Mexico, Ireland, Taiwan, India, Middle East and the UAE. This unique event anticipates more than 300 participants physically and 5,000 virtually around the world

The meeting will offer a superb opportunity for physicians, medical specialists and healthcare professionals to attend expert updates and to share and exchange best practices, knowledge and experiences and to learn, debate, discuss, and network in this very active scientific field where recent progress has led to finding out about uncommon skin diseases and its advances.

Thank you for joining us for one of the exciting events we are planning, and experience firsthand the pride we take to improve the skin health for our patients in the UAE and the region. Our collective excellence will ensure an engaging meeting where new ideas will abound to deepen your skills and enhance your clinical practice.

We wish you a very productive and successful conference and look forward to seeing the results of your deliberations put into practice.
