Welcome Message

Dr. Saleema Wani

Dr. Bashir Taha Salih

Dear Colleagues,

On behalf of the organizing and scientific committee, it gives us a great pleasure to invite you to **“Corniche Hospital International Conference; Updates in Women's Health & Perinatal Medicine”** to be held on **10-11 September, 2022** virtually in Abu Dhabi, UAE.

The conference aims to focus on trending topics and crucial challenges faced by healthcare professionals working with women and perinatal medicine. The two-day conference will address current issues relating to Obstetrics, Gynecology, Anaesthesia, Fetal Medicine, Neonatology, Fertility and Obstetric Medicine and Midwifery.

The scientific committee has teamed up with national and international experts, in offering a comprehensive program that covers the latest clinical advances in research and cutting-edge topics in daily practice, the most recent developments and management of the rapidly evolving health care requirements.

The conference will feature some of the world-class experts in their fields both international and local speakers, advocating for the betterment of Women's Health and Perinatal Medicine

This unique event will offer a superb opportunity for physicians, nurses and midwives to attend expert updates, to share best practices and experiences and to network with new and established colleagues, creating and strengthening clinical collaborations.

Through the Conference we hope to promote the well-being of women and perinatal medicine and to raise the standards of practice and consider ways towards better care for patients.

We are very much looking forward to welcoming you all at the conference on 10-11 September, 2022.
