CONFERENCE

www.menaconference.com

Accredited for 10.25 CPD Credit Points
by Dubai Health Authority

WELCOME MESSAGE

Dear Colleagues,

On behalf of King's College Hospital London in Dubai, we would like to invite you to our conference entitled, **“Recent Medical Advancements: A 360° Approach to Patient Management”**, which is planned for **21st-22nd March, 2019** at the Address Hotel Dubai Mall.

The programme aims to discuss the latest evidence in the management and treatment of common problems in Fetal Medicine Haematology, Women's Health, Diabetes, Metabolic Management, Pain Management, Chronic Liver Disease, Genetics and Antimicrobial Stewardship offering a unique opportunity for physicians across the UAE and the region to meet, network, and learn new scientific developments. The speakers are world-renowned coming from the UK and Middle East.

The conference will highlight improving patient outcomes through innovation and intelligent integration, provides an excellent opportunity to share views, exchange knowledge and establish collaborations & networking. The two-day event consists of plenary lecture and talks, and will give you the opportunity to meet with the experts formally and informally.

We believe the event will be of interest to all varying specialties including Nurses and Allied Health Professionals.

We look forward to welcoming you in Dubai.

Dr. Gowri Ramanathan

MBBS, FRCOG, CCT

Conference Chair

Chief Medical Officer

Consultant Obstetrician+Gynaecologist,

Fetal Med. Sp, King's College Hospital, Dubai, UAE

مستشفى كينجز كوليدج لندن
King's College Hospital London

ABOUT US

King's College Hospital London is affiliated with one of the world's leading universities, has over 175 years' experience as a teaching hospital, and sees almost 1 million patients a year in the UK.

Today, King's is honored to provide the best of British healthcare in the United Arab Emirates via our new state-of-the-art hospital in Dubai Hills and three outpatient clinics in Dubai Marina, Dubai Jumeirah, and Khalidiyah Abu Dhabi.

King's has been established to provide the same level of clinical care and expertise as that in London, with most of our Doctors and clinical staff being UK trained. King's focuses on several specialties including obstetrics and gynecology, pediatrics, orthopedics, cardiology, family medicine, aesthetic surgery, and other specialties, with a dedicated Emergency Department open 24/7 in our hospital.

KING'S COLLEGE HOSPITAL LONDON IN THE UAE

Provides world- leading expertise A large proportion of King's Physicians and all of our Senior Nursing Staff are UK trained King's in the UAE is connected to London for seamless care and second opinion Through King's visiting physician programme we bring cutting- edge services and pioneering complex procedures and surgeries to the UAE

Offers extraordinary patient experience

- King's College Hospital's award-winning architectural design optimises clinical pathways, patient privacy, and promotes a personalised healing environment
- Our King's Get-Well Edu-Tainment system offers for the first time in Dubai personalised clinical information and multimedia entertainment features for inpatients
- Our 5-star hospitality services include King's Men concierge services, in-room spa services, complimentary valet parking, VIP rooms, and more
- King's online patient portal provides on demand access to your medical records and lab results and enables you to book appointments directly into a physician's calendar

Delivers evidence-based healthcare practices

- Following King's UK and NHS tested and established processes (NICE guidelines)
- King's focuses on leveraging scientific data to support patients medical care
- Applying a no over-prescription philosophy and unnecessary testing and treatment
- Advanced medical equipment minimises clinical errors. King's is the first hospital in the UAE with an EOS X-Ray machine that reduces radiation exposure by 90% For more information, please visit www.kch.ae

SCIENTIFIC COMMITTEE

- **Dr. Gowri Ramanathan** - Chief Medical Officer, Kings College Hospital London, Dubai
- **Prof. Anil Dhawan** - Corporate Medical Director for Paediatrics, Director – Paediatric Liver, GI and Nutrition Centre, Director – Research and Innovation, King's College Hospital, London
- **Dr. Amit Majumdar** - Associate Chief Medical Officer, Women's and Children, King's College Hospital London, Dubai
- **Dr. Rafael Blanco** - Associate Chief Medical Officer, Critical Care and Anaesthetics, King's College Hospital London, Dubai
- **Dr. Adnan Tahir** - Associate Chief Medical Officer, Medical & Surgical Division, King's College Hospital London, Dubai
- **Dr. Samina Dornan** - Head of Department Maternal, Fetal Medicine Kings College Hospital London, UAE

ORGANISING COMMITTEE

- **Dr. Sara Alom** - Chief Strategy Officer, King's College Hospital London
- **Dr. Falgun Bathia** - Director Business Development, King's College Hospital London
- **Leandra Meintjes** - Business Development Manager, King's College Hospital London
- **Olga Buciuceanu** - Business Development Manager, King's College Hospital London

CONFERENCE OBJECTIVES

- Review updates and clinical practice strategies in the areas of Med/Surg, Haematology, Liver, Diabetes / Bariatric / Metabolic, Fetal and Obstetrics using the most updated evidence-based practice.
- Summarise recent updates, clinical studies, and new guidelines that impact practice in medicine.
- Apply new knowledge in the diagnostic and therapeutic modalities presented in selected topics.
- Discuss current concepts in modern medicine and apply this knowledge to patient care.
- Discuss clinical practice and real-life case studies.
- Provide insights into patient needs and experiences and improve clinical practice.
- Provide a collaborative platform to ignite minds for innovation in healthcare.
- Offer an opportunity to interact and network with like-minded colleagues from various countries.

KEY AREAS COVERED

- Cardiovascular Disease/ Chronic Liver Disease including Liver Transplant
- Diabetes, Metabolic: Endoscopic and Surgical
- Fetal Medicine
- Genetics
- Haematology
- Pain Management
- Weight Management
- Women's Health
- Antimicrobial Stewardship

KEY FEATURES

- State of the art lectures
- Presentations by renowned speakers from the UK and the UAE
- Interactive sessions
- Case Discussions
- Platform for Global Networking
- Connecting Scientific Community

TARGET AUDIENCE

- Family Medicine Consultants
- Cardiologists
- Obstetricians & Gynaecologists
- Paediatricians
- Anaesthetists
- Neurologists
- Haematologists
- General Surgeons
- Bariatric Surgeons
- Pharmacists
- Gastroenterologists
- Endocrinologists & Diabetologists
- Pain Management Specialists
- Fetal Medicine Consultants
- Plastic & Reconstructive Surgeons
- Hepatologists
- Microbiologists
- Geneticists
- Residents
- Nurses
- Medical Students

INTERNATIONAL SPEAKERS

Prof. Anil Dhawan

Consultant Surgeon – Hepatobiliary and
Pancreatic Surgery / Liver Transplantation
King's College Hospital London, UK

Prof. Kypros Nicolaides

Professor of Fetal Medicine
King's College Hospital London, UK

Prof. Ghulam Mufti

Professor of Haematological Oncology
King's College Hospital London, UK

Prof. David Rees

Consultant Paediatric Haematologist
Professor of Paediatric Sickle Cell Disease
King's College Hospital London, UK

Dr. Bu Hayee

Consultant Gastroenterologist
King's College Hospital London, UK

NATIONAL SPEAKERS

Dr. Omar Hallak

Consultant Interventional Cardiologist,
Lead Cardiology,
King's College Hospital London, UAE

Dr Vittorio Iantorno

Consultant Neurologist,
King's College Hospital London
Dubai, UAE

Dr. Amit Majumdar

Consultant Obstetrician & Gynaecologist,
Associate Chief Medical Officer,
King's College Hospital London, UAE

Dr. Kaiser Raja

Consultant Gastroenterologist
and Hepatologist,
King's College Hospital London
Dubai, UAE

Dr. Sophie Racktoo

Specialist Family Medicine,
King's College Hospital London, UAE

Natalie Oakes

Lead Infection Prevention & Control Nurse
King's College Hospital London, UAE

Dr. Wael Elamin

Consultant Medical Microbiology & Virology,
King's College Hospital London
Dubai, UAE

Dr. Samina Dornan

Head of Department Maternal
Fetal Medicine
Kings College Hospital London, UAE

Dr. Maryam Matar

Founder & Chairperson of UAE
Genetic Diseases Association (UAEGDA)
Dubai, UAE

Dr. Mohamed El Toukhy

Consultant Anaesthetist -
Pain Management Specialist,
King's College Hospital London, UAE

Dr. Adnan Tahir

Plastic and Reconstructive Surgeon,
Associate Chief Medical Officer,
King's College Hospital London, UAE

Dr. Nigel Beejay

Consultant Physician, Gastroenterologist
& Hepatologist; Certified Physician Executive
King's College Hospital London, UAE

Kandarp Thakkar

Chief Pharmacist,
King's College Hospital London, UAE

Mr. Augustine Amusu

Chief Information Officer,
King's College Hospital London, UAE

Dr. Amr El-Zawahry

Head of Paediatric Department,
King's College Hospital London,
Dubai, UAE
