Welcome Note

Dear Colleagues,

On behalf of the organizing committee, it gives us immense pleasure to welcome you to the **Addiction Scientific Day** to be held virtually on **27th February, 2022** in Abu Dhabi, UAE

The summit aims at sharing new ideas and technologies amongst the professionals, industrialists, researchers and students. The organizing committee has developed a comprehensive one-day program highlighting the current challenges and clinical developments in addiction.

The conference provides a forum for educational opportunities as well as a chance to interact with colleagues and experts in the field of addiction. The Scientific Program will offer a great selection of educational sessions that will feature cutting edge presentations, key note lectures, case presentation and special panel discussions.

The NRC aims to make this an annual event to support multidisciplinary professional development of clinicians in addictions and mental health in the UAE and Region.

We wish you a very productive and successful conference and look forward to seeing the results of your deliberations put into practice.

H.E. Dr. Hamad Al Ghafri
