Welcome Note

Dear Colleagues,

On behalf of the scientific committee, it gives us great pleasure to invite you to participate in the **"1st Emirates Pediatric Hematology & Oncology Conference"** on **21st September, 2018** at Rosewood Hotel, Abu Dhabi, UAE

Estimated hematological abnormalities in children in the UAE are 35%. Most of them can be diagnosed and managed by general pediatrician. This conference aims to emphasis on the early detection and diagnosis of common hematological and oncological problems in children and to discuss the management of hematological and oncological problems by general pediatricians.

We are delighted to present renowned experts from the UAE and abroad. The focus will be on interaction and exchange of ideas, knowledge and experience that will enable best possible care for these children.

We believe the event will be of interest to General Paediatricians, Pediatric Subspecialists, Paediatric Trainees, Residents & Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, Dietitians, Pharmacists, Specialist Nurses and psycho-social counsellors.

The event will also provide the opportunity for networking for everybody and for future academic and clinical collaborations.

We look forward to welcoming you on 21st of September in the magnificent city of Abu Dhabi.

This is an opportunity not to be missed!
