WELCOME MESSAGE

Dear Colleagues,

On behalf of the scientific committee, it gives us immense pleasure to invite you to join us for **9th SEHA International Radiology Conference** to be held on **20-21 February, 2020** in Abu Dhabi, UAE.

Advances in medical imaging continue to occur quite rapidly, making the clinical practice of radiology extremely demanding. The information presented in this conference aims to discuss latest developments, updates of the practical aspects of all major subspecialties of Diagnostic Radiology.

The meeting will feature some of the world-class experts in Clinical Radiology from USA, Europe, Middle East, in addition to an elite roster of eminent local speakers that will cover a broad range of topics, state-of-the-art lectures and interactive sessions, case studies and demonstrations and hands on workshops to encourage exchange of knowledge, experience and best practices.

The SIRC conference agenda is specially designed to discuss the current technology trends and practices in the radiology industry. New advances in imaging technology, more precise medical imaging equipment, new diagnostic approaches, interventions and therapies. With access to latest technologies such as Artificial Intelligence, 3D Printing and Robotics in medicine, radiology has quickly transformed from being an independent department in a healthcare setting to becoming a key foundation of modern medicine.

Diagnostic tips, techniques and pitfalls will be stressed and differential diagnoses of common radiological findings will be covered. Unknown case reviews will be discussed as well as practical clinical problems and differential diagnoses will be presented.

We have organized a balanced scientific program, catering specifically to the needs of General as well as sub-specialized Radiologists, Radiology Residents and Technologists. Other physicians will also find it useful in terms of building a basic insight about medical imaging.

The conference also encourages the active participation of young researchers as we are hosting Poster Award Competition at the conference venue.

We hope this meeting will be of great benefit to all participants in the region, we also hope and trust that you will enjoy your visit to Abu Dhabi, the capital of the United Arab Emirates, and a vibrant and fast-growing city that combines state-of-the-art facilities and infrastructure, as well as a glimpse into an ancient and endlessly fascinating past.

We very much look forward to your participation in February 2020 and to welcoming you to Abu Dhabi.

Dr. Jamal Alkoteesh

Conference Chair, Chair of Radiology,
Al Ain Hospital, Al Ain, UAE

ORGANIZING COMMITTEE

Chairman

Dr. Jamal Aldeen Alkoteesh

Consultant Interventional Radiologist
Chair of Department
Al Ain Hospital

Co-Chair

Dr. Saeed Alseiari

Consultant Cardiovascular Radiologist
Department Chair
Sheikh Khalifa Medical City

Co-Chair

Mr. Anthony John Bedson

Radiology Manager
Al Ain Hospital

SCIENTIFIC & ABSTRACT COMMITTEES

Chairman

Dr. Jamal Aldeen Alkoteesh

Consultant Interventional Radiologist
Chair of Department
Al Ain Hospital

Co-Chair

Prof. Klaus Van Gorkom

Asst. Prof. of Radiology; Radiology
Residency Program Director
FMHS, UAE University Al Ain

Co-Chair

Dr. Mohamad Al Marzooki

Neuro Interventional Radiologist
Sheikh Khalifa Medical City

Member

Dr. Taleb Mohammed Al Mansoori

Asst. Prof. & Assistant Dean, Clinical Affairs;
Consultant Interventional Neurologist
FMHS, UAE University Al Ain

Member

Dr. Mohammed Ahmed Zeki

Consultant Interventional Radiologist
Al Ain Hospital

Member

Dr. Ali Reza Dehdashtian

Consultant Radiologist
Al Ain Hospital

Member

Dr. Rizwan Syed

Consultant Radiologist,
Chief of Clinical Imaging
Tawam Hospital

Member

Dr. Amr Mohammad Ismail

Senior Radiologist Specialist
Head of Radiology Departments
Al Gharabiya Hospitals

Member

Dr. Quatullah Rustum

Consultant Radiologist
Chairman of Clinical Imaging
Sheikh Shakbout Medical City

CONFERENCE OBJECTIVES

- The Imaging in Abu Dhabi course is designed to provide the tools for participants to enhance interpretation skills utilizing the latest imaging technologies.
- Lectures and cases will cover evidence-based practice techniques and protocols for improved diagnostic accuracy in multiple applications.
- Discuss how both general and subspecialty radiologic imaging techniques lead to the appropriate differential diagnoses of common diseases
- Identify the type and severity of an adverse reaction to contrast media
- Review breast MRI interpretation and breast MRI biopsy indications and techniques.
- Explain the role of CT perfusion imaging for patient selection regarding reperfusion therapy and best practice implementation of comprehensive stroke evaluation.
- Highlight the latest development in Interventional Radiology

At the conclusion of this activity, participants should be able to:

- Describe the common challenges in interpreting PET/CT/MRI/US/X-rays.
- Optimize Abdominal and pelvic Imaging Methods.
- Explain the performance and processing of MRI and CT studies designed to depict anatomy & pathology.
- Use contemporary imaging techniques and protocols to accurately diagnose, stage and manage diseases and injuries of the musculoskeletal system.
- Develop differential diagnosis that relates to the pertinent imaging and clinically relevant findings for each of the cases covered in this course.
- Outline the fundamentals of the latest advanced techniques in MRI and CT and their current roles and limitations in clinical practice.
- Integrate information presented in this course into efforts to improve the imaging skills of the participants.

CONFERENCE HIGHLIGHTED TOPICS

- Artificial Intelligence in Radiology
- Chest imaging
- Body imaging
- Breast Imaging
- Cardiac Imaging
- Vascular & Interventional Radiology
- Thoracic Radiology
- MSK Radiology
- Neuroradiology
- Pediatric Radiology
- Emergency Radiology
- Trauma Radiology
- Abdominal Radiology
- Head & Neck Radiology
- Mammography
- Ultrasound
- Radiography
- Quality Control & Patient Safety
- Radiology healthcare economics

WHO SHOULD ATTEND?

- Radiologists
- Radiation Oncologists
- Radiographers
- Physicians
- Allied Medical Health
- Registered Nurses
- Residents / Student Interns

The Meeting provides an opportunity to:

- Share your ideas, expertise, successes and challenges with colleagues from across the world and beyond on various sub specialties in the field of Radiology
- Enjoy a multi-disciplinary program that covers the latest cutting-edge science and innovative developments
- Meet and learn from internationally acclaimed leaders on best practices as well as addressing core issues faced by medical professionals in the field of Radiology.
- Network with colleagues from around the world with common interests in Radiology
- Earn CME credits
- Visit interesting locations in Abu Dhabi emirates.

HOW TO REGISTER

www.menaconference.com

Tel.: +971 24 919 888

Personal Details

Full Name:

Job Title:

Place of Work:

City:

Mobile:

Tel (work):

Email:

Fax:

Yes, I would like to receive information on future events by e-mail.

I do not want my address to appear on the delegates list.

Registration Fees

	Early Bird Until 15 January	Standard Until 7 February	Onsite 20 February
Physicians	AED 1,000	AED 1,100	AED 1,200
Nurses & Allied Health Professionals	AED 700	AED 750	AED 800
Residents/Interns/Students	AED 500	AED 550	AED 600

A confirmation email will be sent upon receipt of your registration form. Please note that full payment must be received prior to the event. Payment can be made via Online, Credit card, Cheque, Bank drafts in AED.

Payments

Please choose one of the following mode of payment

- By Online (www.menaconference.com) By cheque payable to MENA
 By Credit card By Bank Transfer

BANK TRANSFER

Account Name	MIDDLE EAST NORTH AFRICA CONFERENCE
Bank Name	Bank Of Baroda, Hamdan Street, Abu Dhabi
Bank Account No.	90020200006131
Swift Code	BARBAEADADH
Iban No.	AE290110090020200006131

Organizing Office

شركة الشرق الأوسط وشمال أفريقيا للمؤتمرات ذ.م.م.

For registration and further information, please contact

Ms. Johnilyn & Ms. Andra

Phone: +971 2 4919888

Mob : +971 565033781, 56 5033782

Email: Johnilyn@menaconference.com
