Burjeel Emergency Medicine Seminar

Accredited by
HAAD for 7.0
CME Hours

May 12, 2017
2nd Floor Burjeel Auditorium
Burjeel Hospital, Abu Dhabi, UAE

Welcome Note

Dear Colleagues,

On the behalf of the scientific Committee, it gives us immense pleasure to invite you to **“Burjeel Emergency Medicine Seminar”** to be held on **May 12, 2017** at Burjeel Hospital Auditorium in Abu Dhabi, UAE

The seminar aims to meet the needs of Emergency Medicine Physicians, Family Medicine and other related specialties and physicians-in-training who wish to expand the understanding and increase the knowledge in the field of Emergency Medicine for better patient care outcomes.

The topics and sessions are designed to cover the whole domain of emergency care and have active interactions at the end of each session. The meeting will gather renowned teaching faculty and thought leaders to encourage exchange of knowledge, experience and best practices in the arena of Emergency Medicine

Moreover, an important feature of this seminar is its case panel discussions. One of our frequent challenges is making practical use of knowledge. Therefore, the program format will include case presentation discussion sessions with a multidisciplinary panel of experts from medical and surgical disciplines, discussing diagnostic and management controversies. Among areas of focus for these panels will be cardiac emergencies, Trauma Updates, Pediatric Emergencies, Toxicology & emergency radiology.

The forum will offer a superb opportunity for physicians, medical specialists and all healthcare professionals to attend expert updates and to share and exchange best practices and experiences in all aspects of Emergency Care.

We believe the event will provide the opportunity for networking for everybody and for future academic and clinical collaborations.

Let's meet on May 12, 2017 and build ideas for the future of Emergency Medicine.

This is an opportunity not to be missed!

Dr. Magdi Mohamed

Chairman of the Seminar
Emergency Medicine Consultant ,
Burjeel Hospital, Abu Dhabi, UAE

Organizing Committee

- **Dr. Magdi Mohamed**
Head of Emergency Department
- **Marketing Department**

Scientific Committee

- **Dr. Mohamed Mustafa**
Specialist Emergency Medicine
- **Dr. Soha Elbaz**
Specialist Emergency Medicine
- **Dr. Anil Jain**
Emergency Physician
- **Dr. Muhanad Majeed**

Seminar Objectives

Upon completion of this educational activity, participants will be able to:

- Discuss the latest advances made in emergency medicine.
- Explain management, technology and techniques for optimal care of diverse trauma, critical care and emergency medicine-related issues.
- Improve the visibility of emergency medicine in areas of focused clinical medical expertise, reflecting the unique scope of the practice.
- Encourage clinical and academic excellence throughout the field of emergency medicine and offer opportunities to discuss the current and evolving practices.
- Foster an environment for emergency medicine colleagues to exchange ideas on common challenges facing this specialty.
- Illustrate the latest strategies and techniques for optimal care in the emergency care setting, including pediatrics, respiratory care and trauma management.
- Explore cutting-edge research and to promote clinical collaboration.
- Apply knowledge gained and lessons learned to provide quality emergency care in practice settings.

Seminar Highlights

- Chest Pain in the Emergency Department
- Pulmonary Embolism: A Diagnostic Dilemma
- Pitfalls in the Diagnosis of AMI
- Emergency Ultrasound
- Tips of imaging in Pediatric Population in ED
- Imaging in Pregnancy
